Dexter, MO- Yesterday many people witnessed a huge and much deserved send off for the Lady Bearcat Basketball Team.

Things kicked off as a pep rally got underway before the girls were set to take off for Columbia.

There were many students, teachers, coaches, parents, and fans in attendance for the pep rally and send off.

Among those people were a few fans who have a special place in their heart for senior Brittany Harris.

Aside from academic and athletic excellence, Brittany also has a talent for putting a smile on many resident's faces at Central Gardens where she is employed.

All the residents who come into contact with Brittany at Central Gardens Residential Care in Dexter have nothing but good things to say about her. Thanks to Michelle Starnes (Central Gardens activity director,) a few of the residents got to venture out yesterday to help send off the Bearcats and wish Brittany good luck!
