**Dexter, Missouri** – Who has Cardinal spirit? Lloyd Hyten does. He bounces from being retired to keeping himself busy, but no matter what he is doing he never stops loving the St. Louis Cardinals. He created a new online business called Unique Design Apparel, which includes his latest St. Louis Cardinal designs.

The Cardinals have won the World Series 11 times in their history. Owning a unique t-shirt commemorating their success will make you a popular fan! These shirts are not sold anywhere, but right here in Dexter, Missouri.

Lloyd stated, “I have gone through all the hoops to make this a real business from designing a website to get tax ID number, etc. I was in St. Louis and I also checked with them to make sure I am not infringing on any copyright laws.

My unique designs are available online or I can deliver them to you if you live close.” His designs are original and thought through down to the smallest detail.

His "What Time Is It?" shirts are a hit. Everywhere he travels, people are asking him about them.
