Bearcats Hoop It Up at Malden Invitational

Malden, Missouri - The Dexter Bearcats boys basketball team traveled to Malden this week to participate in the two-day Malden Boys Basketball Invitational event.

The Bearcats under the direction of Coach Josh Dowdy went 5-1 competing against Malden, Risco, Senath-Hornersville, Kennett, Scott County Central, and Advance. Their only loss was against Scott County Central.

"We have a new crop of kids up from JV and I like how they are adjusting to Varsity basketball," commented Dowdy. "This summer has been good for us."

The boys basketball team has been conditioning themselves this summer and making a conscientious effort to get in better shape prior to the pre-season which starts when school is back in session. Summer practice along with competing against teams they may or may not see during the regular season helps prepare them mentally as well as physically on the court.

These athletes have been working on mastering their dribble, passing the ball, and making that perfect shot during their summer work-outs. They are dedicating a lot of time this summer to becoming better athletes.

We can't wait to see what this team brings to the court in the 2016-2017 basketball season!

You can watch the Bearcats play one more time this summer at the Rib City Shootout slated for Friday, July 15th and Saturday, July 16th at the Bearcat Event Center. The ShowMe Times will post a schedule as soon as one is available.

Strong Showing at 7 on 7 Scrimmage and Lineman Challenge

Strong Showing at 7 on 7 Scrimmage and Lineman Challenge

Dexter, Missouri - The Bearcats are working hard this summer to bring you the best season possible under new head football coach Kevin Goltra. With just 45 days remaining until kick-off the Dexter high school football team has made a lot of changes, added new players, stepped their weight lifting program up to the next level, and even had additional practices and camps.

On Saturday, June 25th Goltra held his first 7 on 7 Scrimmage and Lineman Challenge at Charles Bland Stadium with the Hayti Indians and the Kelly Eagles. Several Bearcat

fans lined the track to watch their favorite football player give his all on the field.

"Overall I was extremely pleased and It went better than I expected except for the last 10 plays against Hayti," stated Goltra. "It seems to be a common theme right now during our SEMO Camp the last 30 minutes of outside practice our guys let up. We actually had to go inside and do it over again. Same situation during the 7 on 7; last 10 plays we just didn't play very well and we weren't focused at all."

"Offensively I sure did not expect to complete the passes we completed and even score," continued Goltra. "Defensively we have really improved getting to the flats and covering the seams. We stressed that at the SEMO Camp and haven't had a lot of practice time, but we have improved greatly in just the past week."

The Dexter Bearcats placed second in the Lineman Challenge to the Hayti Indians. They were only behind by one second.

"We came in 2nd in the Lineman Challenge and we really wanted to win that thing," stated Goltra. "We killed it in the Bench Press, were undefeated in the Tug-A-War and that's what we practiced and preached. We got behind in the Obstacle Course and lost by one point. We keep telling them to give it their all to the last second and that could make a difference in a game"

The Bearcats will continue the next two weeks with weight lifting and a week of practice before traveling to Buffalo, Missouri for a full contact camp the last week of July. That will be their real test of the summer.

"We will be able to run the ball and do our play action," Goltra said of the Buffalo Camp. "It will be invitational only for the varsity and we may take a few freshman based on position need, but overall it will be invitational only."

After the a work-out on the field the football players were treated to pizza and Gatorade before heading home.

The Dexter Bearcats will host a Football Jamboree on August 12th, travel to Ste. Genevieve on August 19th for their first game of the season and their home opener will be on August 26th against the Poplar Bluff Mules.

"Overall I am pleased at where we are and we will fix the problems of letting down at the end. We have a great group of kids and we will get there. They are hard workers and very coachable."

Bearcats Taking Their Game to the Next Level

Bearcats Taking Their Game to the Next Level

Dexter, Missouri - If you are missing high school football, take heart, we are just 46 days out until the kick-off of the 2016 regular season of Bearcat Football.

The "Boys of Fall" have already started their routine of weight lifting and summer camps along with evening summer practices. Fifty football players participated in the 2016 SEMO Football Camp on the campus of Southeast Missouri State University in Cape Girardeau last week.

The three-day camp was a great way to build confidence, skill, and maintain

momentum during the summer months. It also gave the Bearcats a mental edge on the field and build teamwork. Athletes improved on their techniques in blocking, catching, running offensive skill, defensive maneuvers, and specialized skills for position players such as receivers and quarterbacks.

The Bearcat athletes received intensive daily instruction and have mentally prepared themselves for the upcoming season. When they take the field under the Friday night lights for their first game the goal is to be more advanced, know more about the game than their opponent, and be familiar with all of the techniques, drills, and plays they learned over the summer. By the time their season opens they will have mastered their drills and gained more knowledge and experience to succeed on and off the field.

"We are the #1 team in Missouri in conditioning and practice right now," commented Coach Kevin Goltra. "We are one of the few teams sweating it out at camps right now!"

Their challenge is to be more efficient and effective with the ball and most importantly believe in themselves as a team. They have already sacrificed much this summer giving up fun with their friends, trips to the lake, and just hanging out with their school friends, but they know it's all worth it and will pay off when they hit the field in August.

Our Bearcats know what hard work can do for a team. They realize in order to become great they have to hone their craft. If you want to get good, you have to practice!

The 2016 Jamboree is slated for Friday, August 12th at Dexter. Their first game of the season will be at Ste. Genevieve on Friday, August 19th. Game time 7:00 p.m.

7 on 7 Scrimmage and Lineman Challenge Slated for Saturday

7 on 7 Scrimmage and Lineman Challenge Slated for Saturday

Dexter, Missouri - Join new head football Coach Kevin Goltra and the Dexter Bearcats on Saturday, June 25th beginning at 9:00 a.m. for a 7 on 7 Scrimmage and Lineman Challenge at Charles Bland Stadium in Dexter.

Teams competing are the Hayti Indians, Kelly Eagles, and the Dexter Bearcats.

Football fans will have an opportunity to see what our 2016 football team has been working on at the SEMO Summer Football Camp and at their many summer practices.

"The 7 on 7 scrimmage will be 10 plays of offense followed by 10 plays of defense," commented Coach Goltra. "It will be a controlled practice type of

atmosphere that focuses on teaching rather than competition."

The 7 on 7 scrimmage will provide players an opportunity to work on their passing game, running game, passing defense, and adapt to playing in the heat.

"We have focused a ton on our run game the past three weeks as that will be the bulk of our offense this year," continued Goltra. "The pass game will be behind compared to other teams and the majority of our pass plays being play action. The 7 on 7 is not a real good test of where we are, but we will know a lot more about our team after the Buffalo Camp in July. We will compete hard and our very young team will gain a lot of experience."

The Lineman Challenge will consist of squats, tug a war, bench press, tire flip, and an obstacle course.

"We should compete well in the Lineman Challenge," stated Goltra. "All of our players have worked hard in the weight room and they are the reason we are in our run heavy offense."

Our Bearcats have worked hard this week at the SEMO Camp. They pushed themselves further than they have ever been pushed. Coach Goltra demands discipline and his newly emerging athletes are developing character. He holds them to a higher standard and expects them to push themselves further than they ever thought they could go.

The game of football literally challenges an athlete's physical courage and what it means to sacrifice, much like life. Coach Goltra is not only preparing them to win under the Friday night lights, he's teaching them to prepare for life after high school.

On or off the field our Bearcats are learning, learning to put others first, learning to be a part of something bigger than themselves, and learning to lift their teammate together. Please join them Saturday for their first tuneup of the season as they take the field under new head football coach Kevin Goltra.

A further note there will not be concessions for the public so bring your own, but please throw your trash away prior to leaving the stadium. Come out and support your Bearcats. The game should only last a couple of hours so the game should have been working very hard in
