BloomfieldyPolicenDepartment Issues a NO BURN Order

**Bloomfield, Missouri -** The Bloomfield Department of Public Safety has issued a NO BURN order for the Bloomfield area effective immediately. (November 14, 2016)

The order will stay in effect until there is a significant amount of rain.

This Burn Ban is a temporary *ban* on open burning during extended periods of elevated fire danger due to wide spread amounts of dry natural vegetation compounded by contributing weather conditions and/or outdoor activities.
