First Ever Blue Light Week National Campaign

United States – Blue Light Week is a national campaign to honor police officers that have died in the line of duty. YOU can participate by flipping a switch!

This is the first ever “Blue Light Week” and it is the hopes of many that it will become a annual nationwide event. From January 1st through January 7th change out your light bulb on your porch to blue! Turn it on at night and leave it on each night.

A former Virginia policeman who wanted to start something positive for the law enforcement community created the campaign.

Please join them throughout the week and support your local law enforcement as well!
