Today is Vietnam Veterans Day in Missouri

Jefferson City, Missouri - Gov. Jay Nixon is encouraging Missourians to give special recognition and honor to veterans of the Vietnam War on Monday, March 30, which will mark the third observance of Vietnam Veterans Day in Missouri.

In 2012, Nixon signed into law a bill designating March 30 as Vietnam Veterans Day in Missouri. The day is designed to encourage Missourians to observe the day with appropriate events, activities and remembrances in honor of those who served during the Vietnam conflict.

"Vietnam veterans are valued and vital members of our communities who, through their selfless service and sacrifice, have earned our deepest respect and admiration," Nixon said. "I encourage all Missourians to join me in honoring these soldiers, sailors, airmen, Marines and Coast Guardsmen for their bravery, patriotism and service on our behalf."

Refuge Part of MDC's Peck Ranch to Close Temporarily

MARCH 27TH 2015 BY DEE LOFLIN

Refuge Part of MDC's Peck Ranch to Close Temporarily

**Shut-Down During Elk Calving Period
Is Annual Occurrence**

Van Buren, Missouri - Ensuring the population stability of a popular wildlife resident is the primary reason behind the upcoming closure of the refuge area at the Missouri Department of Conservation's (MDC) Peck Ranch Conservation Area.

Peck Ranch Area’s refuge will be closed April 1-July 1 to minimize stress and human interference during the elk calving period. Peck Ranch is home to 125 elk, the majority of which roam on Peck Ranch’s 11,500-acre refuge.

The spring closing of Peck Ranch’s refuge has been an annual occurrence since MDC’s elk restoration project began in 2011. Public access will still be allowed to the approximately 12,000 acres of the area that are outside the area’s marked refuge fence. (Peck Ranch Conservation Area encompasses more than 23,000 acres in Shannon and Carter counties.) Peck Ranch’s elk-viewing automobile route is included in the area that will be closed to the public.

Peck Ranch’s refuge will also be closed Oct. 10-11, Oct. 24-26, Nov. 14-24 and Dec. 5-6 to accommodate deer hunting opportunities during those time periods.

For more information, call the Peck Ranch Conservation Area, 573-323-4249 or MDC’s Ozark Regional Office in West Plains, 417-256-7161. People can also get information about the Peck Ranch Area online at the “Atlas” feature of MDC’s website.

Dexter School Choir Hosts Trivia Night

MARCH 20TH 2015 BY STAFF WRITER

Dexter School Choir Hosts Trivia Night

Fundraiser To Help Local Students Perform at Six Flags of Mid America

Dexter, Missouri - If you possess the incredible talent and ability to answer bizarre, off the wall questions, then you should have been at the Church of Christ activity building this Friday night. The T S Hill Middle School choir group tested everyone's general knowledge by hosting a fundraising trivia night.

The event was well attended with over 60 organizers, student workers and participants forming over seven trivia teams for the fun filled night of competition. The night consisted of 100 questions split over ten rounds of various categories. Many of the questions were difficult enough to make a Trivia Crack junkie scratch their heads.

Tonight's event was a make up date of a previously scheduled event that was cancelled due to inclement and snowy weather. There were plenty of snacks and desserts on hand for the crowd.

Jamie Sepulvado, Dexter's middle school choir teacher, helped to organize the event to help pay for an upcoming trip her choir group will be taking to St. Louis to perform at Six Flags Over Mid-America. The trip, scheduled for early May of this year, will have several Missouri schools performing and competing in a choral

competition.

If you would like more information or would like to support their upcoming trip, please contact Jamie Sepulvado at [email=jamies@dexter.k12.mo.us.
