New Radiation Oncologist Benjamin Goodman Joins St. Francis

OCTOBER 15TH 2015 BY DEE LOFLIN

New Radiation Oncologist Benjamin Goodman Joins St. Francis

Cape Girardeau, Missouri - Saint Francis Medical Center welcomes new radiation oncologist Benjamin D. Goodman, DO, as a Saint Francis Medical Partner. He joins fellow radiation oncologists Tapan Roy, MD, FACR, and Emily L. Militzer, MD, at Cape Radiation Oncology.

Goodman earned his medical degree from Pikeville College School of Osteopathic Medicine in Pikeville, Ky., and fulfilled his transitional internship at St. Vincent Hospital in Indianapolis. Goodman later completed his radiation oncology residency at Indiana University Department of Radiation Oncology in Indianapolis. His clinical interests include stereotactic treatments used to treat multiple cancers, including brain, lung, spine and liver. He understands the benefits that constant advancements and technologies can offer in the fight against cancer.

“We are excited to welcome Goodman to our team of Medical Partners as we continue to advance new radiation oncology offerings at Saint Francis,” says Steven C. Bjelich, FACHE-D, President and Chief Executive Officer at Saint Francis. “His addition to the

practice will further benefit the people of Cape Girardeau — enhancing the superior cancer care they have come to count on.”

Outside of work, Goodman enjoys spending time with his wife, Sarah, and their three sons. He loves being outdoors: hunting, fishing, biking, running and working on his family’s row crop farm.

To learn more about Dr. Goodman or Cape Radiation Oncology, call 573-331-3996.

Saint Francis Medical Center is a 289-bed facility serving more than 650,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis’ major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region’s first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center with Convenient Care; Cancer Institute; and Fitness Plus.

New Feature of the Leadership Dexter Program

OCTOBER 15TH 2015 BY DEE LOFLIN

New Feature of the Leadership Dexter Program

NEW FEATURE OF THE LEADERSHIP DEXTER PROGRAM

Dexter, Missouri - The Dexter Chamber of Commerce has added a new feature to the Leadership Dexter Program this year. This year's last session will be held on Thursday, November 19th. The Leadership Participants will begin the day with a breakfast and presentations from representatives from the various service clubs. At 8:00 they will travel to the chamber office on Market Street to participate in the True Colors Training program.

The Chamber is extending an invitation to its members via this email to consider attending the True Colors Training program. The program presentation will be from 8:30 AM until Noon followed by lunch. The fee for the training for the non-leadership participants will be \$30. Attendees will receive booklets to keep for reference after the seminar. If you or any of your employees would like to register, please send an reply email stating the names of the registrants and their contact information. The chamber will in turn mail an invoice to cover the cost of the seminar. Registration deadline will be Friday, November 13th.

What is True Colors and what can it do for me?

True Colors® is a model for understanding yourself and others based on your personality temperament. The colors of Orange, Gold, Green and Blue are used to differentiate the four central personality styles of True Colors®. Each of us has a combination of these True Colors that make up our personality spectrum, usually with one of the styles being the most dominant. Identifying your personality and the personalities of others using True Colors provides you with insights into different motivations, actions and communication approaches. True Colors works because it is based on true principles and easy to remember and use – in all kinds of circumstances – from personal relationships to professional success.
