Missouri AMBER Alert Issued for Carlie Trent

Missouri - AMBER ALERT! A 9-year-old girl taken from school in Tennessee by an uncle with no custodial rights may be in Missouri. Around 3:00pm Tuesday, an Amber Alert was sent out alerting people around Otterville, MO.

Be on the lookout for this van, a white 2002 Dodge conversion van with TN license plate 173GPS or either of these two people. Gary Simpson, age 57 years old, abducted Carlie Trent, age 9 from Rogersville, TN.

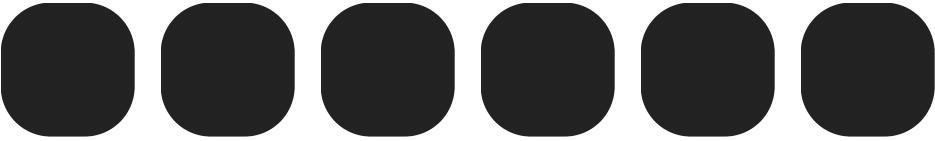

They could be literally anywhere even in surrounding states like Missouri or Tennessee. They may possibly be camping in this vehicle. People in rural areas, farmland, state parks, isolated areas, etc need to be on special alert. Help find Carlie Trent and bring her home to her family safely.

There is a combined reward of \$12,500 being offered for her safe return. Carlie's pediatrician put up \$10,000 and the U.S. Marshals Service put in \$2,500. Call the Rogersville Police Department at 1-276-272-7555, contact the Tennessee Bureau of Investigation at 1-800-TBI-FIND with any information, or dial 911. Keep in mind he may have changed license plates or even vehicles by now.
