## More Missourians Are Buckling Up!

SEPTEMBER 29TH 2016 BY DEE LOFLIN

[More Missourians Are Buckling Up!](#)

### Statewide survey shows a 1.5 percent increase

Results of a recent statewide survey reveal that Missouri drivers and passengers are buckling up more in 2016, but still have much room to improve.

Based on 123,678 observations of Missouri drivers and passengers in this year's statewide survey, the safety belt use rate is 81.4 percent, up 1.5 percent from 2015. This is still far behind the national average, which was 88.5 percent in 2015.

Safety belt usage ranged from a low of 63 percent in Jackson County to a high of 95 percent in Montgomery County. The survey also indicated that females tend to buckle up more than males with 85 and 78.6 percent respectively. Pickup truck drivers are only 69.7 percent likely to buckle up, while drivers of sport utility vehicles buckle up at 86.7

percent.

"It's vital that the driver and all passengers are buckled up every trip, every one, every time, day and night," said Bill Whitfield, chair of the executive committee for the coalition. "Ninety-four percent of the time driver error is responsible for a crash, and your safety belt is your best defense if a crash occurs."

Modern vehicles are safer than they have ever been. Integrated safety systems such as airbags and crumple zones have drastically increased chances of crash survival. However, all of these safety improvements are designed with the assumption that the occupants of a vehicle are properly restrained with a safety belt. Not wearing a safety belt severely undermines a vehicle's ability to keep its passengers safe in a crash.

As of Sept. 29, 669 people have died in Missouri traffic crashes this year, an 8% increase over this time last year. Of those deaths, 439 were vehicle occupants who had a seat belt available, but 60 percent chose not to wear a safety belt and were killed. Many of these people might be alive today if they had simply buckled up.

## Thursday is National VFW Day

SEPTEMBER 29TH 2016 BY DEE LOFLIN

### Thursday is National VFW Day

National VFW Day is observed annually on September 29th, honoring the men and women devoted to this valuable organization and those members who have served our nation.

Members of the VFW today hold a long-standing history of volunteerism in their communities. Not only have they served their country, but they continue to serve their fellow veterans, families, and communities by sponsoring scholarships, career fairs, mental wellness campaigns, and so many more excellent services.

VFW membership since its inception has been instrumental in the establishment of the Veterans Administration, the creation of the national cemetery system and passage of the GI Bill. Through the VFW, veterans honor veterans and serve their communities. On National VFW Day, take a moment to recognize all the VFW does in your community.

# HOW TO OBSERVE

Honor the VFW members and veterans in your community. Let them know that you appreciate the sacrifices they have made for all of us. We truly are the land of the free because of the brave. **Use #NationalVFWDay to post on social media.**
