# Sandbagging Efforts Along Route 60 at Fisk

MAY 02ND 2017 BY DEE LOFLIN

## Sandbagging Efforts Along Route 60 at Fisk

Sandbagging Efforts Along Route 60 at Fisk - Press Release 11:50 p.m. Tuesday, May 2, 2017

The Missouri National Guard is currently sandbagging along eastbound Route 60 at Fisk, Mo. from Route DD to the Route 60/51 junction. After examining the latest projections for the St. Francis River, the levee is a proactive measure to keep the route open.

MoDOT does not have plans to close Route 60 at this time. Travelers should use caution in this area and expect a lane reduction on eastbound Route 60 from Route DD to the Route 60/51 junction. In addition, the eastbound Route 60/51 ramp is currently closed.

For more information, please contact MoDOT's Customer Service Center toll-free at 1-888-ASK-MODOT (1-888-275-6636)

Motorists are encouraged to use extreme caution and plan alternate routes.

MoDOT also offers the following driving tips that can help avoid delays and unsafe conditions during rainy weather:

- Turn on your headlights when windshield wipers are needed. It's the law.
- Slow down, use caution, and don't use cruise control when driving in rain to avoid skidding and hydroplaning.
- Leave plenty of following distance behind the vehicle in front of yours.
- Never move or drive around barricades placed on roadways due to high water. Barricades are a warning designed to protect you from an unsafe condition. You can put yourself at serious risk if you proceed into a flooded section of road.
- If a road is closed, find another route.
- Do NOT drive into high water. Stop and turn around. Notify local police, the sheriff or the Missouri State Highway Patrol.
- "Turn Around - Don't Drown" as highways become impassable
