# Bass Season Opens on Memorial Day Weekend

MAY 23RD 2017 BY DEE LOFLIN

## Bass Season Opens on Memorial Day Weekend

Memorial Day weekend brings an extra-special celebration bass anglers in Missouri. The Missouri Department of Conservation (MDC) reminds them that the Saturday of Memorial Day weekend, May 27, marks the opening of both squirrel season statewide and catch-and-keep bass season in most streams south of the Missouri River.

The black bass catch-and-keep season applies to most streams south of the Missouri River for largemouth, smallmouth, and spotted or Kentucky bass and runs from May 27 to Feb. 28, 2018. Anglers may catch and release these species legally all year, anywhere in the state. They may keep legal-sized bass caught from impoundments and some rivers and streams all year long, statewide. In most of the state's waters, the daily limit on black bass is six. Black bass taken from rivers and streams must be at least 12 inches long in most areas. Additional specific regulations may apply to specific waters or areas. Anglers must have a valid fishing permit or be exempt.
