## Athletes of the Month Named

MAY 31ST 2017 BY DEE LOFLIN

### Athletes of the Month Named

Poplar Bluff, Missouri - The Mules Booster Club has named soccer player Sophie Rowland and golfer Nathan Woolard the Poplar Bluff High School Athletes of the Month for April.

Nathan, a junior, was a medalist for best score in the Jackson Invitational and Conference Championship, which he helped win along with the Notre Dame and Poplar Bluff Invitationals, according to his coach Billy Pyland. Nathan also qualified to play in the Class 4 State Golf Tournament.

Sophie, a sophomore, has broken last year's record with 18 assists this season. She has also scored six goals. Academically she is first in her class with an 11.4286 GPA, according to her coach, Rusty Crafton, who says she is a great leader on and off the field. "(Sophie) wants to get better each day," he stated.

Pictured presenting the awards to Sophie Rowland and Nathan Woolard on Tuesday, May 9, is Booster Club member Brian Taylor.

# Angler Catches State-Record Redear Sunfish

MAY 26TH 2017 BY DEE LOFLIN

Angler Catches State-Record Redear Sunfish

Congratulations to James Lucas on breaking the state record by catching a 1-pound, 1-ounce redear sunfish with a throwline.

O'Fallon, Missouri - The Missouri Department of Conservation (MDC) reports James Lucas of O'Fallon became the most recent record-breaking angler in Missouri when he caught a redear sunfish on a private pond in Lincoln County. The new "alternative method" record fish caught by Lucas on March 24 weighed 1 pound, 1 ounce. Lucas' recent catch broke the previous state record of 6-ounces, caught in 1996.

"I was pretty excited when I pulled the redear sunfish out of the water because fishing that day wasn't easy," James Lucas said.

Lucas added the weather outside wasn't great for fishing when he caught the new state record.

"I'm just thankful my friend drove the boat and braved the conditions with me while I caught another state-record fish," Lucas said.

Lucas is pretty familiar with state-record fish, as he now holds two of them in Missouri.

"I caught this fish on purpose with my throwline because I want to break more state records," Lucas said.

Lucas caught the fish with a throwline. A throwline is a method for catching fish that involves lowering or throwing a fishing line into the water without the use of a rod and reel. The line can be anchored to an object on shore or held in hand.

"I choose to use a throwline because it is very challenging, and I enjoy a challenge!" said Lucas.

MDC weighed the redear sunfish on a certified scale in O'Fallon.

"This is the fourth state-record fish this year. 2017 is shaping up to be a year for state-record fish," said MDC Fisheries Programs Specialist Andrew Branson. "The mild weather we have had this year means more anglers are fishing, and catching big fish."

Lucas said he released the redear sunfish back into the private pond, and now plans to go after more state-record fish.

Missouri state-record fish are recognized in two categories: pole-and-line and alternative methods. Alternative methods include: throwlines, trotlines, limb lines, bank lines, jug lines, spearfishing, snagging, snaring, gigging, grabbing, archery, and atlatl.
