Justin Winkler Names Director of Revenue Cycle for St. Francis

AUGUST 11TH 2017 BY DEE LOFLIN

Justin Winkler Names Director of Revenue Cycle for St. Francis

Cape Girardeau, Missouri - Saint Francis Healthcare System announces the appointment of Justin Winkler, MBA, as the director of revenue cycle.

Winkler is responsible for maintaining and enhancing the revenue cycle process, including patient accounting, billing, collections, registration, scheduling and vendor management for the Medical Center and all physician offices.

He has been with Saint Francis since 2012, where he served as the practice manager for Cape Cardiology Group and the Heart Valve Center. In 2015, he took on additional management responsibilities of Poplar Bluff Neurology Specialists and in 2016, he assumed management of the cardiac and vascular electrodiagnostics department.

Winkler has a bachelor's and a master's degree from Southeast Missouri State University.

Saint Francis Medical Center is a 308-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace,

featuring the region’s first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.

Garner Announced as New ER Dept Director for St. Francis

GARNER ANNOUNCED AS NEW EMERGENCY DEPARTMENT DIRECTOR FOR SAINT FRANCIS

CAPE GIRARDEAU, Mo. – Saint Francis Healthcare System is pleased to announce Chad Garner, BSN, CEN, RN, as the new emergency department director.

In this role, Garner is responsible for planning, coordinating and supervising all of the non-physician functions within Emergency Services at Saint Francis Medical Center to ensure that the services provided are in accordance with the policies, procedures, philosophy and objectives of Saint Francis. He will oversee a wide variety of regulatory, administrative and fiscal activities while also providing strong leadership, motivation and staff development.

Prior to joining the Saint Francis family, Garner worked in the Emergency Department in Murray, Utah, and as a clinical educator in Springfield, Mo.

He earned his BSN from Missouri State University and is finishing his MS in health promotion and wellness management from Missouri State University. Garner's experience in two Level 1 Trauma Centers and certifications as a Trauma Nursing Core Course (TNCC) Instructor, Emergency Nursing Pediatric Course (ENPC) Instructor and a hazmat coordinator/trainer are specialties that will aid in the care of patients seen in the Emergency Department.

Saint Francis Medical Center is a 308-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.

St. Francis Healthcare Collecting Coats for Kids

AUGUST 31ST 2016 BY DEE LOFLIN

St. Francis Healthcare Collecting Coats for Kids

Dexter, Missouri - Saint Francis Healthcare System is asking residents to help warm those around us in need. This September, the community can donate new or gently-used coats for kids through Saint Francis to directly benefit The Salvation Army in Cape Girardeau and other charitable organizations throughout the region.

The donated coats will provide a tremendous benefit to area kids in the colder months just around the corner. Any help that the community can provide for this cause will be extremely beneficial. The Salvation Army traditionally hosts coat drives in November and Saint Francis' collection will go toward that drive.

“The Salvation Army does so much good in communities worldwide,” says Debbie Gibson, manager of Saint Francis’ Volunteer Services and Pastoral Care. “We are honored to do our part to help, and invite everyone in and around Cape Girardeau to do the same!”

Eight donation barrels are located on the Medical Center campus: outside the Chapel of Saint Francis, in Pastoral Care and at Entrances 1, 2, 4, 6, 7 and 8. Donation barrels are also at various Saint Francis outreach clinics: Charleston Family Care, Farmington Physician Associates, Jackson Family Care, Kneibert Clinic in Poplar Bluff, Piedmont Physician Associates in Piedmont, Physicians Park Primary Care, Poplar Bluff Neurology Specialists, Sikeston Radiation Oncology and the Saint Francis Health Center in Dexter. Coats collected outside Cape Girardeau will go to local charities in the respective communities.

For more information about coat donation, please call 573-331-3996.

Saint Francis Medical Center is a 307-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis’ major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region’s first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.

For more information about the Saint Francis Healthcare Scholarship Program, call 573-331-5790.

Saint Francis Foundation is a not-for-profit, tax-exempt charitable organization that supports Saint Francis Medical Center by strengthening the institution overall and reaffirming its mission of supporting the community and the people it serves. Formally organized in 1976, its mission reflects the Medical Center's priorities through fundraising efforts that support the community. The Foundation sponsors several annual events, including golf tournaments, and philanthropic activities such as annual appeals, memorials, endowment funds, planned giving, grants and major gifts. Through the generosity of the community, staff and volunteers, the Foundation accepts contributions each year to purchase state-of-the-art equipment, provide patient and employee assistance, create new programs that help patients in the region, and improve facilities at the Medical Center.

Saint Francis Foundation and the Saint Francis Medical Center Auxiliary awarded healthcare scholarships to 23 area students on August 5. Each student received \$1,250 in scholarships toward a degree in a healthcare-related profession.
