Buy Native Trees and Shrubs from MDC State Forest Nursery

AUGUST 31ST 2017 BY DEE LOFLIN

Buy Native Trees and Shrubs from MDC State Forest Nursery

Jefferson City, Missouri - Native trees and shrubs can help improve wildlife habitat and soil and water conservation while also improving the appearance and value of private property. The Missouri Department of Conservation's (MDC) George O. White State Forest Nursery offers a variety of low-cost native tree and shrub seedlings for reforestation, windbreaks, erosion control, wildlife food and cover, and other purposes.

This year, the State Forest Nursery is taking orders starting a couple months early, beginning on Sept. 1 instead of in November. Orders are being accepted through April 15, 2018. Supplies are limited so order early. Orders will be shipped or can be picked up at the nursery near Licking from February through May.

The nursery provides mainly one-year-old bare-root seedlings with sizes varying by species. Seedlings varieties include: pine, bald cypress, cottonwood, black walnut, hickory, oak, persimmon, birch, maple, willow, sycamore, blackberry, buttonbush, holly, dogwood, hazelnut, redbud, spicebush, sumac, wild plum, and others.

Seedlings are available in bundles of 10 or increments of 25 per species. Prices range from 16 – 80 cents per seedling. Sales tax of 6.1 percent will be added to orders unless tax exempt. There is an \$8 handling charge for each order. Receive a 15-percent discount up

to \$20 off seedling orders with a Heritage Card, Permit Card, or Conservation ID Number.

Find images and information on available items, along with ordering information, in MDC's 2017-2018 Seedling Order Form. It is available in the September issue of the Missouri Conservationist, at MDC regional offices and nature centers, **online by clicking [HERE](#)** or by contacting the State Forest Nursery at 573-674-3229
