ShowMe Times Players of the Week Against Sikeston

SEPTEMBER 18TH 2017 BY DEE LOFLIN

ShowMe Times Players of the Week Against Sikeston

Dexter, Missouri - The ShowMe Times is proud to highlight the outstanding performance of two Dexter Bearcat Football Athletes. Each week the ShowMe Times will choose two players – one offensive player and one defensive player who will be featured as Players of the Week.

Leadership on the athletic field is often a good indicator of the future development of our young students and is a perfect training ground for future leaders.

This week was a tough decision as so many players contributed in ways that did not reflect on the stats sheet against Drexel; however only two players were chosen.

The Offensive Player of the Week is Corbin Strong. Corbin rushed for 72 yards on 10 carries averaging 7.2 yards per carry. He also scored the Bearcat's 2nd touchdown with 5:47 left in the 4th quarter. Corbin played defense as well attaining 6 tackles.

"Corbin is having a great year as well in both sides of the ball," commented Dexter head football coach Kevin Goltra. "He provided the burst we needed to win the game Friday with powerful runs and good blocking."

The Defensive Player of the Week is Gabe Jackson. Gabe attained 8 tackles, 3 solos and 5 assists.

"Gabe is an impact player on both sides of the ball," stated Goltra. "He played a crucial role in the shutout against Sikeston, leading the team with 8 tackles. He is someone that every team game plans for."

Congratulations to both of these two fine young men on their accomplishments.

The Bearcats will be back in action when they host the Caruthersville Tigers on Friday, September 22, 2017 at Charles Bland Stadium. Game time 7:00 p.m. Homecoming festivities begin at 4:30 p.m. with the Community Tailgate and then at 6:30 p.m. will be the Homecoming Coronation at Charles Bland Stadium.

All Bark and No Bite - Dexter Shuts Out Sikeston

SEPTEMBER 18TH 2017 BY DEE LOFLIN

All Bark and No Bite - Dexter Shuts Out Sikeston

Dexter, Missouri - One has to respect Dexter's physicality on the field this season. This was the Bearcat's second win over the Bulldogs in nine years and their first shutout over Sikeston since 2007, ten years ago.

The Bearcats are starting to believe in themselves more and more and in their coaching staff. It's been an uphill battle and the fight is not over yet for the 2017 season. The 'Cats are 4 - 1 and have four more games ahead of them and a very tough schedule. They still have to face Caruthersville, Kennett, Malden, and Park Hills.

"Not that they didn't believe it, but now they know they can win the rest of the games on the their schedule. I don't think they needed to prove it to themselves so much. I think they needed to prove it to everyone else and tonight they did that," commented Dexter head football coach Kevin Goltra.

"They were as intense and fired up to play this football game as any football game I have ever been around," continued Goltra. "There was a whole lot of bulletin board material from both sides going around. Our kids took it a little personal."

Goltra said he received a text on Thursday from one of the coaches that some players showed up their house ready to watch film.

"They knew everything that Sikeston was going to run and they knew exactly what they were supposed to do to defend it. When that happens in high school football, good things happen," Goltra said.

It wasn't until the 4th quarter before Dexter crossed into the end zone. Caleb Hoggard took ball in from the 2-yard line for six with 10:34 left on the clock. Then Corbin Strong ran in from the 2-yard for another six points with just 5:47 left in the game. Neither conversion runs were good giving them a lead of 12 - 0.

"I think the last 4 - 5 minutes, our kids wanted it more and we wore them down," finished Goltra. "They are extremely physical. That comes from weight room and confidence, as far as that goes."

Dexter ran 10 plays in the their new wildcat formation for a total of 40 yards to get Hoggard into the end zone. The Bearcats hadn't shown their new formation in the first four games of the year. Goltra's offense has been working on the new formation since the summer and putting Hoggard in at quarterback allowed him to run up the middle with an extra blocker in front.

"We have got to get Hoggard to where he can throw the ball. You saw he had zero interceptions because he had zero attempts," Goltra said while smiling and describing the dilemma. "Teams are going to pick up on that in a hurry. We knew the schedule toughened up after Drexel, so we wanted to get that done right away and we'll expand on it."

Dexter (4-1) finished with 160 yards rushing thanks mostly to Caleb Hoggard and Corbin Strong. Caleb had 107 yards on 38 carries and Corbin finished with 72 yards on 10 carries.

Bo McMullin, Gabe Jackson, Jett Featherston, Corbin Strong, and Braxton Foster led the Bearcats in tackles. They allowed only 94 yards of offense. The Bulldogs earned 30 yards rushing on 24 attempts. In all, the Sikeston offense only averaged about 1.9 yards per play and crossed mid-field only twice.

This game marks the last meeting between the two for at least the next two years after Dexter replaced Sikeston on its schedule with Doniphan. It was definitely a game to remember by players, cheerleaders, fans, and especially the student cheering section. They rushed the field to celebrate with the players.
