## MSTA Awards \$300 to R-1 Faculty

OCTOBER 17TH 2017 BY DEE LOFLIN

### MSTA Awards \$300 to R-1 Faculty

Poplar Bluff, Missouri - Three Poplar Bluff R-I educators were awarded Missouri State Teachers Association mini-grants for additional classroom resources on Thursday, Oct. 5.

Eugene Field first grade teacher Kristen Spain will receive a subscription to the Science Spin edition of Scholastic Magazine for its curriculum-based activities. Lake Road librarian Shiela Boyles chose a set of books on the concept of ‘growth mindset’ so elementary teachers can have conversations with students about finding learning opportunities even in failure. Junior High communication arts teacher Julie Gambill will purchase computer microphone equipment so students can work on their verbal skills by producing podcasts online.

A total of 123 entries were submitted from the organization’s Southeast Region, according to Poplar Bluff MSTA president Karmen Carson, a Middle School math and science instructor. The winning proposals were reviewed anonymously by a retired teachers group. The educators were granted \$100 apiece toward their projects.
