MO FFA Recognized Colton Reinert as Area 16 Star Farmer

The Missouri FFA Association recognized Colton Reinert of the Puxico FFA Chapter as the Area 16 Star Farmer at the 90th Missouri FFA Convention.

His parents are Donnie and Jessica Reinert of Puxico.

His advisor is Randy Stephens.

Area Star Farmers are chosen based upon outstanding production agriculture in the student's supervised agricultural experience program and active participation in FFA. Area 16 includes 19 chapters in the Southeast District. MFA Inc., Columbia, sponsors the 16 area Star Farmer awards and the State Star Farmer Award. Reinert's SAE began with the purchase of two crossbred market hogs and an Angus market steer. He continues to improve his livestock's genetics each year and has received numerous awards including grand and reserve champion placings at local and district fairs. Reinert has served as chapter president and area chaplain. He has competed at the state level in the agronomy and livestock evaluation career development events. Reinert received the area forage production proficiency award and the area diversified agriculture production proficiency award. He has also attended Washington Leadership Conference and Helping Youth Maximize their Agricultural eXperiences (HYMAX) Academy.

In addition to FFA, Reinert is a member of the Future Business Leaders of America and Beta Club. He is a member of the National Wild Turkey Federation and Puxico First Baptist Church. After graduation, Reinert plans to attend Three Rivers College, Poplar Bluff, before transferring to Southeast Missouri State University, Cape Girardeau, to study agribusiness and agronomy. After college, he plans to become an agronomist.

The Missouri FFA has 25,375 members representing 343 chapters. The national organization has more than 653,000 members representing 8,568 chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands.

The FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
