BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

Our Nation grieves with those affected by the shooting at Santa Fe High School in Texas. May God heal the injured and may God comfort the wounded, and may God be with the victims and with the victims' families.

As a mark of solemn respect for the victims of the terrible act of violence perpetrated on May 18, 2018, by the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, I hereby order that the flag of the United States shall be flown at half-staff at the White House and upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until sunset, May 22, 2018.

I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this eighteenth day of May, in the year of our Lord two thousand eighteen, and of the Independence of the United States of America the two hundred and forty-second.

Dexter Police Department's Youth Alcohol Enforcement Campaign results

Dexter, Missouri - Declaring Dexter's participation in the States May/Youth Alcohol Enforcement Crackdown "Drive Sober or Get Pulled Over" substance-impaired driving crackdown. Dexter Police reported 14 citations along with 39 warnings issued during the enforcement period, which ran from May 3 - 14, 2018.

"Substance-Impaired driving is more than a reckless choice by a few individuals," Chief Trevor Pulley. "Each year, impaired driving cost the lives of thousands on America's highways. "There were 185 people killed and 592 seriously injured in 2017 Missouri traffic crashes that involved at least one substance-impaired driver (Alcohol and/or drugs). That works out to approximately one substance-impaired driving involved fatality every two days"

A substance-impaired driver less than 21 years of age was involved in 51 of the fatalities and serious injury crashes. Dexter Police joined forces with the National Highway Traffic Safety Administration and nearly 10,000 law enforcement agencies across the country in this year's Youth Alcohol Enforcement "Drive Sober or Get Pulled Over" campaign.
