# Fake \$100 Bills Popping Up in Dexter

JUNE 04TH 2018 BY DEE LOFLIN

## Fake \$100 Bills Popping Up in Dexter

Dexter, Missouri - The Dexter police department is urging businesses to be careful when accepting \$100 bills, after reports of at least three incidents in the Dexter area.

According to Dexter Police Chief Trevor Pulley, "We have had three since May 21, 2018 at local businesses."

Businesses should be proactive when taking money over the counter of any denomination higher than a \$20, but be especially cautious when taking \$50 or \$100 dollar bills.

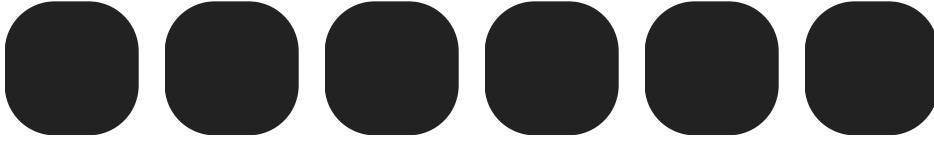

There are a number of security features on bills issued by the US Federal Reserve, but Pulley suggests that businesses should focus on the security band that is to the left of the portrait on the front of the bill running vertically. According to [uscurrency.gov](http://uscurrency.gov), the band should be visible if you backlight the bill, and will have "USA" and the number "100" on it as well, alternating on both sides of the strip.

Other security features, according to [uscurrency.gov](http://uscurrency.gov), include a watermark of Benjamin Franklin to the right of the portrait, color-shifting ink on the "100" in the corner of the bill, a 3-D security ribbon that runs to the right of the portrait that alternate both bells and a "100" when you move the bill side-to-side, among other features.

If you feel you have received a counterfeit \$100 bill please contact your local police department immediately.

## EMS Proclamation Week 2018

JUNE 02ND 2018 BY DEE LOFLIN

### EMS Proclamation Week 2018

#### EMS Week Proclamation

Cape Girardeau, Missouri - During the May 21st Cape Girardeau City Council meeting, Mayor Bob Fox issued a proclamation marking May 21-27 as EMS Week.

In 1973, President Gerald Ford authorized EMS Week to celebrate emergency medical services, its practitioners and the important work they do in responding to medical emergencies.

National Emergency Medical Services Week brings together local communities and medical personnel to publicize safety and honor the dedication of those who provide the day-to-day lifesaving services of medicine's "front line."

Thanks, Fire Department and Cape County Private Ambulance staff, for all you do to help.
