Students Perform with MCDA 9th - 10th Grade Honors Choir

On July 18th these Dexter students had the honor of performing with students from around the state in the Missouri Choral Directors Association 9th-10th grade Honors Choir. These students had to send in an audio submission to Missouri judges.

They were informed in May that they had been chosen to represent Dexter at Jefferson City, Mo along side of other students from the state. They met to practice throughout the summer. They came together on the 18th to put it all together.

"This was the best 9th-10th concert I have heard at Jefferson City. They were pushed out of their comfort zones and it made for a beautiful concert. They were given difficult music to learn and memorize. They represented us well with their voices and with their behavior," commented Jamie Sepulvado, Dexter School Choral Director.

Students Perform with MCDA 7th - 8th Grade Honors Choir

On July 18th these Dexter students had the honor of performing with students from around the state in the Missouri Choral Directors Association 7th-8th grade Honors Choir. These students had to send in an audio submission to Missouri judges.

They were informed in May that they had been chosen to represent Dexter at Jefferson City, Mo along side of other students from the state. They met to practice throughout the summer. They came together on the 18th to put it all together.

"Their concert was beautiful. They honestly didn't sound like a 7th/8th grade choir. Their voices blended well and sounded so mature. They represented us well with their voices and with their behavior. These students are leaders in choir and I'm so proud of all of them," stated Jamie Sepulvado, Dexter School Choral Director.

This is one of the largest groups to have the honor of going to Jefferson City, Mo.
