The Friends of Saint Francis, formally organized in 1975, assists Saint Francis Healthcare System Foundation in providing patient services and financial assistance to Saint Francis and the community. Since its beginning, The Friends has given more than \$4.3 million in support of Saint Francis Healthcare System. The Friends Board is composed of people from the community and employees who are committed to serving the Healthcare System in an active way.

The Friends support the Healthcare System, its patients and their families; give back to the community through service; and transform lives for the better.

Saint Francis Healthcare System Foundation is a not-for-profit, tax-exempt charitable organization that supports Saint Francis Healthcare System by strengthening the institution overall and reaffirming its mission of supporting the community and the people it serves. Formally organized in 1976, its mission reflects the Healthcare System’s priorities through fundraising efforts that support the community. The Foundation hosts several annual events, including golf tournaments; gala; Pink Up; and philanthropic activities such as annual appeals, memorials, endowment funds, planned giving, grants and major gifts. Through the generosity of the community, staff and volunteers, the Foundation accepts contributions each year to purchase state-of-the-art equipment, provide patient and employee assistance, create new programs that help patients in the region, and improve facilities at the Healthcare System.

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 713,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 308-bed tertiary hospital, and supported by nearly 2,800 employees and more than 250 providers in eight communities, the Healthcare System is a driving economic force in the region. Major services include the Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and the region's only Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.

Bearcats Score Four Touchdowns in Thrilling Come from Behind Win

SEPTEMBER 04TH 2018 BY DEE LOFLIN

Bearcats Score Four Touchdowns in Thrilling Come from Behind Win

Dexter, Missouri - There's nothing better in high school football than a dramatic come from behind win. The Bearcats were hoping for a little "pay-back" from last year's District play-off game. The Tigers won that game 38-0 in 2017. Dexter rallied from a 14-0 deficit to win 28-20 at their home opener at Charles Bland Stadium on Friday night.

The boys of fall knew it would take a team effort to beat the Tigers. Dexter rushed for 259 yards with two players gaining more than 100 yards each. Corbin Strong rushed for 139 yards on 13 carries, scoring two touchdowns and Caleb Hoggard rushed for 118 yards on 19 carries.

Tristan Newman scored two touchdowns in the first quarter. Both extra points were good giving Salem a 14-0 lead.

Corbin Strong cross the goal line putting Dexter on the scoreboard; however the extra two point conversion failed.

Trailing 14-6 at the half the 'Cats made adjustments in the 3rd and 4th quarters scoring three touchdowns for their first win of the season.

Dexter tied the game in the third quarter when Mason Keena recovered a bad snap by the Tigers. It was his second recovery for the night giving the Bearcats great field advantage. Corbin Strong's two-point conversion run tied the game at 14-14.

Quarterback Peyton Driskill threw a perfect pass to Nate Gargas for a 5-yard touchdown pass in the fourth quarter. Caleb Hoggard's point after attempt was good to give Dexter a 21-14 lead.

Salem's Tristan Newman scored his third touchdown of the night, a 19-yard run. The Bearcats blocked the point after attempt and held their 21-20 lead.

Corbin Strong finished the night off with a 12-yard touchdown run. Caleb Hoggard hit the extra point keeping the Bearcats up by 8 points, 28-20.

"Make no mistake about it. It took the whole football team," commented Dexter head football coach Aaron Pixley. "It wasn't one guy. This win was a team win. They all are. I think it's easy to talk about the big play. ... But our offensive and defensive line had to show up. That's kind of how we're built. We have to play well up front, and we're capable of it. We just have to get more consistent."

The Bearcats rushed for 320 total yards, while holding Salem to 240 yards.

"Their offense is very difficult to defend," Pixley stated. "We bent, but we came up with some huge plays."
