Fellowship of Christian Students/Staff Outdoor Movie Night

OCTOBER 04TH 2018 BY DEE LOFLIN

Fellowship of Christian Students/Staff Outdoor Movie Night

Bloomfield, Missouri - Outdoor Movie Night sponsored by Bloomfield Fellowship of Christian Students/Staff and the Bloomfield Chamber of Commerce will be on Wednesday, October 10, 2018 from 6:30 p.m. - 8:30 p.m. at the City Park.

They will feature the movie Soul Surfer.

FREE hotdogs, popcorn and water. Just bring your own chair or blanket to sit on!

SOUL SURFER is the inspiring true story of teen surfer Bethany Hamilton, who lost her arm in a shark attack and courageously overcame all odds to become a professional surfer.

"Bethany Hamilton has become a source of inspiration to millions through her story of determination, faith and hope. At the age of thirteen, Bethany lost her left arm to a 14-foot tiger shark, which seemed to end her career as a rising surf star. One month after the attack, Bethany returned to the water and within 2 years had won her first National title. In 2007, she realized her dream of surfing professionally and since then her story has been told in a New York Times best selling autobiography and in the 2011 film, SOUL SURFER. Bethany is involved in numerous charitable efforts, including her own foundation, Friends of Bethany, which reaches out to amputees and youth, encouraging a

broken world by offering hope to overcome through Jesus Christ. Using her platform as a professional athlete to promote living a fit and healthy lifestyle, she authored the book BODY AND SOUL in 2014. Bethany's latest project, UNSTOPPABLE, a surf documentary which will showcase her as one of the best women surfers in the world, is set to release in 2018, accompanied by a photo book and a children's book. She is passionate about helping young women be unstoppable in life and faith, and is launching a new website and app this Fall for sharing content and facilitating connection. Her greatest joy is being a wife and mother, and she continues to touch and inspire lives globally as a professional surfer, and motivational speaker."
