Last day of FFA Fundraiser

District Canned Food Drive begins today

SCTC - No classes - Teacher inservice

Today is the first day of our annual canned food drive which helps area families in need. This is a campus wide event and there is a competition between schools. Bring your canned food items to your advisory class. The advisory class that collects the most canned food items will get a special treat.

Juniors should check the form on the Prom Classroom or with Miss Colley to sign up for concession stand work nights.

FBLA Meeting & picture Wed, Nov 28th during advisory

The girls basketball team will be playing tonight in the Semo Conference Tournament in Sikeston. Their bus leaves today at 2:30 and their game is at 4:00 pm.

Our boys basketball team will have their first game on the season tomorrow night as they take on the Charleston Bluejays at home. The JV game begins at 6:00 pm.

We hope to see a big crowd of students and staff supporting our basketball players, cheerleaders and the Kicking Cats Dance Team tomorrow night.

The senior advisory class of Williams was the overall winner with 167 boxes donated (2nd place Peden) Junior class winner was A. Simmons, (Hobgood 2nd place), Sophomore class was Pfeffer (Christian 2nd place) and Freshmen class was Wiggins (Guy 2nd place). Thank you so much for all the donations

## SEMO President Delivers Admittance Packets via Drone to Richland Seniors

NOVEMBER 20TH 2018 BY DEE LOFLIN

SEMO President Delivers Admittance Packets via Drone to Richland Seniors

Dr. Carlos Vargas, president of Southeast Missouri State University, visited Richland High School in Essex, Missouri, Nov. 8, using a drone to deliver admittance packets to two Richland seniors.

Vargas took advantage of Southeast's drone technology to welcome Richland students Emily Blunt and Lillie Sherfield, both of Essex, Missouri, to the Redhawk family.

Using the drone was a nod to Richland's developing Drone Program and Southeast's Bachelor of Science in Unmanned Aircraft Systems (drones), launched in fall 2017.

Richland, a National Blue Ribbon School in 2016 and 2018, is an ideal partner for Southeast due to its investment in drones as a training tool, according to Dr. Debbie Below, vice president for enrollment management and student success. The school purchased four drones and is actively engaging students in drone technology as part of its college preparatory curriculum and career and technical education programs.

Southeast's Unmanned Aircraft Systems program trains students on maintenance, customization, acquisition and use of drones in a commercial setting. Students gain experience in electrical and electronic systems, mechanical operations, software, and drone specific coverage of aviation, system design, safety, policy and sensor systems, preparing them to become professionals in Unmanned Aircraft Systems and other forms of automation.

Vargas has made several similar visits to schools in the region to deliver acceptance packets and meet with students, faculty and administration. Vargas discussed students' academic and personal needs with Richland staff as well as how Southeast can help their students reach their future career goals.

Southeast is now accepting applications for the fall 2019 semester, and students are encouraged to apply before midnight Dec. 1, to meet the deadline for early scholarship consideration and on-campus housing. Apply online at [semo.edu/apply](http://semo.edu/apply). Prospective students are encouraged to take advantage of the Common Application and the benefits of the University's new Copper Dome Scholarship Program.

Southeast encourages incoming students to plan now to attend a Show Me Day on campus Feb. 16 or 18 and March 23. Show Me Day is an opportunity to visit Southeast and learn about the variety of academic programs and services offered. For more information on becoming a Redhawk at Southeast Missouri State University, contact the Office of Admissions at (573) 651-2590 or [admissions@semo.edu](mailto:admissions@semo.edu).
