Mission Internship is a Great Opportunity for Tyler Stevenson

Tyler Stevenson, 20 graduate of Dexter High School will finish his junior year at Harding University this spring.

In July he plans to spend six weeks in Lviv, Ukraine as an intern at a young church.

"We are going lead the children while we are there, taking care of the day camps as well as a couple of summer camps," commented Stevenson. "Along with these camps we will be working alongside our host missionaries with ministering to the locals and learning hands on how to bring the gospel to both non-believers and those who have never heard the gospel. We plan to work primarily in the Lviv area, but we also will travel to other churches across the country."

As a student at Harding University, Tyler, wants to be involved with the mission internships. Harding University has been doing internships for almost 30 years now and as a part of Harding's commitment to be used by God to increase the number of long-term missionaries in the world.

This trip means a lot to Tyler and he hopes that he not only changes lives while there, but enhances his own spiritual belief in God. This trip will change his life forever and it is a great opportunity for him.

Tyler has committed to raising \$3,500. As you know, financial participation with Tyler is actually participation with God in this Kingdom and what He is doing in the life of this young person. Your prayers to the Father are also of extreme importance. If you would like to help with this mission please contact Tyler at 573-625-8203 or

email him at **ts Stevenson1@harding.edu**. Checks can be made payable to Global Outreach/Harding University. All funds raised will go into a restricted account and will only be used to help pay for the expenses of the summer mission trip. You can also donate by going online by **CLICKING HERE**.

"As our team begins preparations for this missionary internship, I ask that you keep us in your prayers," continued Stevenson. "Pray that we will have open and compassionate hearts to serve God's people in a foreign land. God is so good at teaching us, and I am excited to learn what I can from this experience."

Tyler is the son of Kay Stevenson and Keith Stevenson and is a 2016 graduate of Dexter High School.

While at Dexter he was a member of the Dexter Bearcats Football team all four years of his high school career. He also played tennis all four years.
