PBHS Rolls Out Coffee Service

Poplar Bluff, Missouri - The Poplar Bluff High School Coffee Crew began serving refreshments to teachers on Tuesday, Feb. 12, in an effort to provide students an opportunity to work on pre-vocational skills for their post-graduation transition.

Every Tuesday and Thursday during first and fourth hour, the students bring around a cart to faculty members who order coffee, tea or bottled water. Punch cards designed by the Technical Career Center computer graphics class are purchased by staff for \$5 for 10 drinks, plus one freebee.

The concept of the Coffee Crew came after a visit to Jackson High School earlier in the academic year, according to Mindy Garrett, R-I special services director. The cart was purchased through a mini-grant teacher Jeanette Miller was recently awarded from the Academic Assistance Group, and special aprons were designed by teacher Alexis Blevins. Chartwells supplied the containers.

Jaden Sharp, a senior who works at Starbucks, donated several pounds of specialty coffee to help launch the program, which is sustained by generous contributions.
