## Three Rivers College Honors Colton Reinert at Student Excellence Awards

Colton Reinert of Puxico, Missouri earned his Excellence Award in Agriculture.

Three Rivers College recognized more than 40 of its highest performing students at its Annual Student Excellence Awards ceremony. Winners were chosen to represent each academic department and career education program, the Three Rivers external locations, honor societies, and major student organizations.

“The Student Excellence Awards are a celebration not only of academic success but of the hard work and commitment of our student body,” said Dr. Wesley Payne, President of Three Rivers College. “The success these students have achieved is not only an indication of natural ability and talent, but also their dedication to putting in the time and doing the work that makes them the standouts of Three Rivers.”

Winners from academic and career programs are chosen by that program’s leadership based on recommendations from faculty members. The leadership of each organization selects student organization, external location, and honor society award recipients.

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region.

Grassham Family Donates funds to Memorial  
Scholarship at Three Rivers College

## Grassham Family Donates funds to Memorial Scholarship at Three Rivers College

The Grassham family recently made a donation to their scholarship fund with the Three Rivers Endowment Trust. The contribution represents proceeds from a Trivia Night held in Van Buren. Pictured are, from left, Michelle Reynolds, Director of Development at Three Rivers College; Hadley Grassham; Holly Grassham Holt; and Dr. Wesley Payne, President of Three Rivers College. The Grassham family aims to endow the scholarship, which will provide a perpetual scholarship for Three Rivers College students.

The fund was established in honor of Randy Grassham and his father, James Grassham, both from Van Buren. James served on the Three Rivers College Board of Trustees beginning in 1982, until his passing in 2009. Then his son, Randy, was appointed to fill the term, which he did until his passing in 2018. With 36 years combined, the Grasshams were part of many changes and improvements over the years. The scholarship was created to help carry on the family legacy of service to Three Rivers College for years to come.

For more information about contributing to or establishing scholarships at Three Rivers College, contact Michelle Reynolds at 573-840-9077
