Family Medicine Physician Joins SoutheastHEALTH

SoutheastHEALTH has welcomed four Family Medicine physicians to its medical staff. All are affiliated with Southeast Primary Care at its West Campus location in Cape Girardeau.

Parker Capshaw Kohlfeld, MD, earned his degree at Saint Louis University School of Medicine. He completed a residency in Family Medicine at University of Missouri Health Care in Columbia. Kohlfeld, a Cape Girardeau native, says he chose Family Medicine because “I enjoy building relationships with patients and their families and love the variety of opportunities that Family Medicine provides. Ideally, I would like to be a true family doctor who takes care of the entire family.”
