Family Nurse Practitioner L'Heureux Joins Kneibert Clinic

Saint Francis Healthcare System is pleased to announce that Elizabeth L'Heureux, APRN, FNP-BC, NP-C has joined Kneibert Clinic in Poplar Bluff.

L'Heureux earned her Associate of Arts in Sociology in 2005 from Three Rivers College. She earned her Associate of Science in Nursing from Three Rivers in 2013. L'Heureux earned her Bachelor of Science in Nursing from Central Methodist University in 2014. She earned her Master of Science in Nursing – Family Nurse Practitioner from Maryville University in 2018. L'Heureux is board certified by the American Academy of Nurse Practitioners and American Nurses Credentialing Center.

She is married to her husband, Jeremiah. They have one daughter. They enjoy traveling with family and friends.

Kneibert Clinic is located at 686 Lester Street in Poplar Bluff. The clinic has been providing healthcare in southeast Missouri for adults and children of all ages for more than 65 years. Kneibert Clinic promotes patient health through regular checkups, screenings, patient education and preventive care. When patients become ill or develop health conditions, Kneibert Clinic physicians have the breadth of experience in family medicine to discover the underlying issues and offer patients the insights necessary to make informed decisions. When appropriate, Kneibert Clinic connects patients with specialists at Saint Francis Medical Center and coordinates their care.

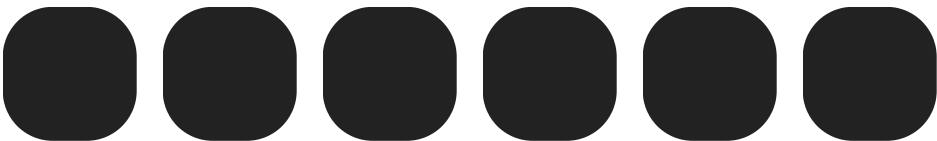

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 715,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by more than 3,000 colleagues and nearly 300 providers in 11 communities, the Healthcare System is a driving economic force in the region. Major services include Primary Care, Gastroenterology, Cancer Institute, Emergency and Level III Trauma Center, Heart Hospital, Neurosciences, Orthopedics, Family BirthPlace and the region’s first Level III Neonatal Intensive Care Unit.
