WHEREAS, Economists agree that there are three ways to create wealth: Mine It; Grow It; or Make It. Missouri is rich in natural and agricultural resources and Missouri manufacturers make everything from automobiles to aircraft parts to food products to furniture, chemicals, and electrical equipment including products sold directly to consumers and parts of other manufactured goods; and

WHEREAS, there are nearly 6,000 manufacturing companies in Missouri and they contribute more than \$40 billion or 13.2 percent of the Total Gross State Product, creating wealth for the more than 265,000 people directly employed in manufacturing and the many more whose livelihoods are indirectly supported by manufacturing; and

WHEREAS, manufacturing jobs provide an annual compensation which is more than \$10,000 higher than the state's average wage; and

WHEREAS; manufacturing jobs enable Missouri families to realize the dreams of owning a home, educating children and enjoying a secure retirement; and

WHEREAS, manufacturers pay millions of dollars annually to support public education, law enforcement, emergency preparedness, public works and other essential services.

NOW, THEREFORE, Stoddard County does hereby proclaim October 4, 2019 as Manufacturing Day in Stoddard County. And, I commend Missouri Enterprise and the Manufacturing Extension Partnership for the valuable technical and business assistance that they provide to our small and medium sized manufacturers.

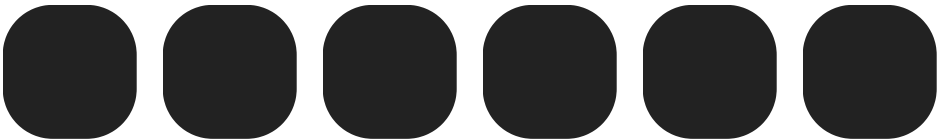

IN WITNESS WHEREOF, I HAVE HEREUNTO SET MY HAND THIS 23rd day of September, in the year two thousand and nineteen and I encourage all Missourians to show their support for our manufacturers by purchasing products made in Missouri and America.

# Dexter Police Will Crack Down on Child Restraint Violations

## Dexter Police Will Crack Down on Child Restraint Violations

### Missouri Law Requires Children under Eight to Be Restrained in Child Safety Seat.

Dexter, Missouri - Missouri law requires all children under the age of eight to be in an appropriate child safety seat or booster seat unless they are 80 lbs or 4’9” tall.

Dexter Police announced today they are joining with law enforcement agencies across the state September 15-21 for the annual Child Passenger Safety Week Law Enforcement Campaign to help reduce highway fatalities and serious injuries by cracking down on Missouri’s child safety seat law violators.

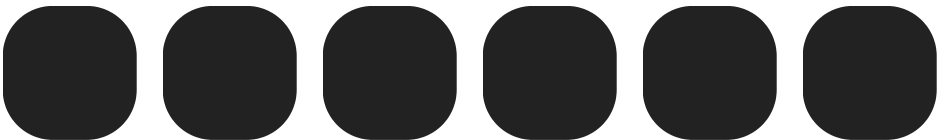

Car crashes are one of the leading killers of kids. The proper use of a booster seat can reduce the risk of serious injury by 45 percent for children aged 4-8 years when compared with a standard seat belt by itself. Using the proper child safety seat provides children with the greatest opportunity to survive a crash.

Chief Trevor Pulley said regular child safety seat and safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
