American Red Cross Asking for Blood Donations

MARCH 19TH 2020 BY DEE LOFLIN

American Red Cross Asking for Blood Donations

By now, you've seen the headlines and heard the news. Communities across the country are closely monitoring the outbreak of the coronavirus disease 2019 (COVID-19) and following public health preparedness guidance. Part of that preparation includes maintaining a readily available blood supply for hospital patients. The last thing patients should have to worry about during this time is a shortage.

As the number of COVID-19 cases grow, so does the need for healthy blood donors. Right now, the American Red Cross strongly urges eligible donors to schedule their next appointment to donate blood.

Here's the good news: Donating blood is a safe process and people should not hesitate to give or receive blood. If you are healthy and able, please come in to give. You can help change the headlines with a blood donation.

Saturday, March 21, 2020 Walmart in Sikeston, MO from 11 a.m. - 4 p.m.
