Memorial Day Ceremony Cancelled at MO State Veterans Cemetery in Bloomfield

MAY 15TH 2020 BY DEE LOFLIN

Memorial Day Ceremony Cancelled at MO State Veterans Cemetery in Bloomfield

Memorial Day Public Ceremonies cancelled at all five Missouri State Veterans Cemeteries due to COVID-19 concerns

For the first time in the history of Memorial Day ceremonies at Bloomfield the annual event has been cancelled.

Missouri State Veterans Cemeteries continue to follow CDC and National Cemetery Administration cautionary guidelines on large gatherings of 10 or more individuals.

On Memorial Day, May 25, 2020, Missouri State Veterans Cemetery Directors will render appropriate honors and lower all flags to half-staff to honor all Veterans interred in Missouri State Veterans Cemeteries at all five State Veteran Cemeteries. Missouri State Veterans Cemeteries are located at Bloomfield, Higginsville, Jacksonville, Springfield, and Ft. Leonard Wood. To further honor our Veterans and include citizens who will not be able to attend our ceremonies due to the current emergency, the Missouri Veterans Commission will provide a video honoring our Veterans on its social media platforms in lieu of the traditional in-person ceremony.

Originally called Decoration Day, Memorial Day was established as a day for Americans to honor those who were killed during the Civil War. It was not until after World War I that Memorial Day was expanded to honor those who have died in all American wars. Memorial Day was declared a national holiday in 1971 and was placed on the last

Monday in May.

MAY 02ND 2020 BY DEE LOFLIN

Mason and Maddox Beaird are the Bernie Parents as Teachers Students of the Month for May 2020.

Mason and Maddox Beaird are the Bernie Parents as Teachers' students of the month for May 2020.

They are the children of Justin and Emily Beaird.

Mason is four years old and enjoys riding the tractor with his Dad.

During the family's PAT visits with Mrs. McGarity, he loves learning and playing games and cannot wait to go to school one day.

Mason's little brother, two year old Maddox, loves playing outside with his siblings.

During their PAT visits, he enjoys sitting with his family and reading the new books they receive, as well as engaging in all the fun activities his parent educator brings for him.

Bernie Parents As Teachers April 2020 Students of the Month

APRIL 08TH 2020 BY DEE LOFLIN

Bernie Parents As Teachers April 2020 Students of the Month

Annabeth and Layla Cox are the Bernie Parents as Teachers Students of the Month for April 2020

They are the children of Jeff and Katie Cox.

Annabeth is 2 years old.

She loves dinosaurs, Baby Shark, and books.

Layla is 7 months old and is working on crawling and getting her first tooth.

The family's favorite parts of participating in Parents as Teachers are watching the girls learn new things and reading new books.

The following information was taken directly from the Parent as Teachers Missouri website.

Our Vision

All children will learn, grow and develop to realize their full potential.

Our Mission

To provide the information, support and encouragement parents need to help their children develop optimally during the crucial early years of life.

Our Values

The early years of a child's life are critical for optimal development and provide the foundation for success in school and in life.

Parents are their children's first and most influential teachers.

Established and emerging research should be the foundation of parent education and family support curricula, training, materials and services.

All young children and their families deserve the same opportunities to succeed, regardless of any demographic, geographic or economic considerations.

An understanding and appreciation of the history and traditions of diverse cultures is essential in serving families.

History

In 1981, Missouri pioneered the concept of helping parents embrace their important role as their child's first and best teacher. Today, Parents as Teachers continues to equip early childhood organizations and professionals with information and tools that are relevant? and widely applicable?to today's parents, families and children.

The Parents as Teachers leadership team and Board of Directors is engaged in a three-year strategic plan, which positions the organization as a valued partner to support the organizations and professionals who serve families and children, especially those most vulnerable.

The concept for Parents as Teachers was developed in the 1970s when Missouri educators noted that children were beginning kindergarten with varying levels of school readiness. Research showed that greater parent involvement is a critical link in the child's development of learning skills, including reading and writing.

Early childhood professionals suggested that a program to provide early detection of developmental delays and health issues, and parent education to help parents understand their role in encouraging their child's development from the beginning could help improve school readiness and parent involvement.

With funding from the Missouri Department of Elementary and Secondary Education and The Danforth Foundation, Parents as Teachers began in 1981 in Missouri as a pilot project for first-time parents of newborns. Recognizing the program's benefits and cost effectiveness, the Missouri legislature provided state funding in 1985 to implement Parents as Teachers programs in all Missouri school districts. Since 1985, Parents as Teachers has expanded to all 50 states and six other countries.
