Bright Idea Contest Grand Champion Named

JUNE 15TH 2020 BY DEE LOFLIN

Bright Idea Contest Grand Champion Named

Malden, MO - The Bright Idea Showcase took place on Saturday, May 30, 2020 at the Malden Community Center in Malden, MO. The top contestants from five of the contest's qualifying counties gave an oral presentation of their idea to the panel of judges present. After the presentation of county champion plaques and medals, the 2020 contest grand champion was announced.

Launched in January of 2020, the Bright Idea Contest was created to promote and spark an entrepreneurial spirit in the youth of Southeast Missouri. The central mission is to generate and facilitate paths to success for young innovators. The planned annual contest is open to students between grades seven and twelve in eight Southeast Missouri counties: Bollinger, Butler, Dunklin, Mississippi, New Madrid, Pemiscot, Scott and Stoddard. Over \$26,000 in prize money is available to contest participants. Each county champion receives a \$2,000 cash prize and a chance to compete for a \$10,000 grand prize at the Bright Idea Showcase. The contest is divided into three stages. The initial entry round requires contestants to draft an essay summarizing their idea. In the second-round, the top five submissions from each county advance and are required to submit a video presentation of their idea. The video submission is then evaluated by a panel of judges who determine the top entry from each participating county. Each county champion receives a \$2,000.00 cash prize, and advances to the third and final round of competition. For the final round, contestants give an on-site, oral presentation to a panel of judges at the Bright Idea Showcase.

The contest submission portal was officially opened on January 6th of this year. Over fifty entries were submitted before the first-round deadline on March 1. The top five submissions from each county were selected and announced on March 11. These contestants participated in round two, which required a video presentation of their idea. After a disruption in the original schedule due in part to the COVID-19 Pandemic, the county champions were selected and announced on April 29. County champions are listed below:

BOLLINGER COUNTY: Shiskeet

Judson Mayfield, a twelfth grader from Woodland High School in Marble Hill, MO.

BUTLER COUNTY: EMERGENCY! (911 App)

A team of students consisting of Jeremy Bell, Aaron Johnson, Kristen Laird and Maria Powell from Poplar Bluff High School in Poplar Bluff, MO.

NEW MADRID COUNTY: Anonymous Guidance Counselor

Wyatt McCulloch, a ninth grader from Portageville High School in Portageville, MO.

PEMISCOT COUNTY: The Albox

The Wanna Bees, a team of twelfth graders consisting of Cassie Bryson, Savannah Butler and Vivi Wallace from Delta C-7 High School in Deering, MO.

STODDARD COUNTY: Breathe Easy

Korbin Williams a seventh grader from T.S. Hill Middle School in Dexter, MO.

Judson Mayfield was named the Grand Champion of the 2020 Bright Idea Contest.

Judson was announced as the winner at this year's Bright Idea Showcase on May 30. Finalists from the five qualifying counties were allotted eight minutes each to present their idea to the contest's panel of judges. After compiling the scores of each judge, just four tenths of a point separated the top two contestants.

Mayfield, is a 2020 graduate of Woodland High School in Marble Hill, MO. He was named the county champion for Bollinger County after the second round of the contest on April 29. Mayfield's idea, Shiskeet, is an innovate approach to traditional clay targets or "clay pigeons."

Instead of manufacturing his targets through ordinary methods, Mayfield has developed a process that utilizes cattle manure as the main manufacturing component. In result, this offers an alternative, environmentally friendly option for clay target shooters. As the grand champion of this year's contest,

Mayfield received an additional \$10,000.00 in prize money on top of the \$2,000.00 he received as his county's champion. Mayfield plans to use a portion of his winnings to further pursue patents and investors for his idea.

Three Rivers College Honors Ryan Bambrough with Student Excellence Award

JUNE 11TH 2020 BY DEE LOFLIN

Three Rivers College Honors Ryan Bambrough with Student Excellence Award

Three Rivers College recognized more than 40 of its highest performing students with its Annual Student Excellence Awards. Winners were chosen to represent each academic department and career education program, the Three Rivers external locations, honor societies, and major student organizations.

Ryan Bambrough is from Sikeston and is majoring in Literature.

“The Student Excellence Awards are a celebration not only of academic success but of the hard work and commitment of our student body,” said Dr. Wesley Payne, President of Three Rivers College. “The success these students have achieved is not only an indication of natural ability and talent, but also their dedication to putting in the time and doing the work that makes them the standouts of Three Rivers.”

Winners from academic and career programs are chosen by that program’s leadership based on recommendations from faculty members. The leadership of each organization selects student organization, external location, and honor society award recipients.

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region.
