100-Mile Yard Sale kicks off this week; drivers urged to use caution

Visitors and residents will be out in full force along Route 25 Memorial Day weekend in search of bargains at the 100-Mile Yard Sale, but MoDOT wants you to remember the greatest savings of the event could be a life.

“It’s a fun weekend that people look forward to each year,” says Traffic Engineer Craig Compas, “but we want people to remember that there’s more traffic and more congestion along Route 25 this weekend than any other and drivers need to keep that in mind.”

MoDOT will do its part to bring the safety message to the forefront. Message boards will be in place along the route to alert drivers of the unusual traffic patterns and promote safe driving.

“We really want drivers to be alert—to be aware of their surroundings, to be aware of sudden stops and to look for pedestrian traffic,” Compas says. “Additionally, there is an increase in traffic, including large truck traffic, between the City of Jackson and the Route AB in Cape Girardeau County due to the Diverging Diamond Interchange construction. While we want everyone to enjoy themselves, we ask that people also be as safe as possible.”

For more information, contact Compas at (573) 472-5310 or call MoDOT’s Customer Service Center toll-free at 1-888-ASK-MODOT (1-888-275-6636).

Dexter PD to Participate in 2021 Click It or Ticket Enforcement

Dexter PD to Participate in 2021 Click It or Ticket Enforcement

Dexter, Missouri - Dexter Police will be joining with statewide law enforcement May 24 – June 6, 2021 for a statewide “Click It or Ticket” mobilization to step up enforcement on Missouri’s seat belt law.

More than 6 out of 10 people killed in 2020 Missouri traffic crashes were unbuckled. Even with all the advancements in automobile safety, a seat belt remains a person’s single greatest defense in the event of a crash.

Missouri’s seat belt use has shown significant improvement in the last three years, but the state remains just below the national average in usage. Missouri has an 86.1 percent seat belt use while the national average is 90.7 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 75.5 and 71.6 percent, respectively.

“Nearly every day someone dies in a Missouri traffic crash because they weren’t buckled up,” said Chief Hank Trout. “We will be pulling out all the stops to help ensure motorists are making the smart decision to buckle up.”
