Marty the Magician Performs at Keller Public Library

Dexter, MO - Marty the Magician performed on Wednesday, June 30, 2021 as part of the Summer Reading Program at Keller Public Library. Marty performed a variety of magical tricks for more than 150 children and adults.

Children of all ages loved his magic and his high energy. He has quite the ability to instantly connect to the children. The children laughed hysterically and then you could hear silence as he amazed them with his magic. They say laughter is the best medicine. This reporter could see the adults laughing and smiling right along with the children.

This was most definitely a favorite during the summer "Tails and Tales" reading program.

"My wife makes my vests," said Marty. "She also said I kind of act like a seven year old so I fit in perfectly." Marty has been interested in magic since the second grade and has over 35 years of experience entertaining.

Next week the Keller Public Library will offer "Tales with Teens" at 11 a.m. on Wednesday! Please come out and enjoy!

29th Annual Fourth of July Patriotic Parade for Kids

Dexter, Missouri - The 29th Annual Fourth of July Patriotic Parade for Kids will be held on Monday, July 5th at 10:00 a.m. This annual parade will begin at the corner of Elm and Vine streets in downtown Dexter.

The youngsters guided by Uncle Sam aka Mayor Banken will gather on the steps of the U.S. Post Office on Stoddard Street to salute the American Flag with the Pledge of Allegiance. They will sing a few patriotic songs and pose for those everlasting photos.

The parade will follow its traditional route down Elm Street to Stoddard Street with kids on bicycles, tricycles, wagons, scooters, golf carts, on foot or in strollers. You may even see a few patriotic dogs in the parade.

The parade will get moving again, east down Stoddard Street to Poplar Street, where it will turn south at the First Christian Church (Disciples of Christ) back to Vine Street and turn west returning to the Bankens' front yard where they will be treated to lemonade and a small snack.

The "just for kids" parade was started by Janice Barney, Lisa Greer and Jean Rahm. The parade leadership has passed to a new generation, as Kristina and Jason Banken, now host the holiday parade each year. The Banken family began hosting the parade 14 years ago, and have continued to build upon the Independence Day tradition.

Children are invited to participate. They may walk or bring their bikes and other means of transportation for the parade. Parking will be available for grown-ups in the city parking lot on Vine Street across from the Dexter Municipal Building

Turtle Time at the Keller Public Library Tails and Tales Summer Reading Program

Turtle Time at the Keller Public Library Tails and Tales Summer Reading Program

Dexter, MO - The Keller Library Summer Reading Program kicked off on Wednesday, June 16, 2021 at the Park Lane Gym with a Tails and Tales theme. Dee Loflin talked about turtles and brought Missouri animal furs.

Loflin had three box turtles from Missouri and a Sulcata Tortoise that is indigenous to Africa.

"Myrtle the Turtle has been in our family 4 generations," commented Loflin. "She currently lives with my daughter, Jessica Georger, but has lived with my grandmother and my father. She is estimated to be about 80 years old and is considered the oldest turtle of this species in Missouri."

"Elvis is probably around 50-60 years and is totally blind," continued Loflin. "He was found on the road covered in dried mud. We took him to the Dr. Ward in Advance and that's when we discovered he was totally blind."

"Danni has been with us for several years," stated Loflin. "She loves to be petted."

Chomper is a favorite among the children. He is a Sulcata Tortoise and is only five years old weighing about 30 lbs. He will live to be over 200 years old and may end up weighing more than 250 lbs.

In addition to the turtles Loflin also displayed several animal pelts which included deer, buffalo, a red fox, racoon, skunk and a coyote. Loflin also displayed deer antlers, turkey legs, a buffalo vertebrae and a donkey skull for the children to examine.

"It's always a joy to see the kids touch and feel the furs and skulls," continued Loflin. "Many never get the opportunity to see these animals in the wild, but to feel their fur is a real treat. The turtles are also a big hit with not just the children, but we have many adults who want to pet them as well."

The program will continue Wednesday, June 23 at 11 a.m. with Bookish Beats presented by Debbie Koenig with the Mingo National Wildlife Refuge.
