## Dexter PD to Participate in 2021 Click It or Ticket Enforcement

Dexter, Missouri - Dexter Police will be joining with statewide law enforcement May 24 – June 6, 2021 for a statewide “Click It or Ticket” mobilization to step up enforcement on Missouri’s seat belt law.

More than 6 out of 10 people killed in 2020 Missouri traffic crashes were unbuckled. Even with all the advancements in automobile safety, a seat belt remains a person’s single greatest defense in the event of a crash.

Missouri’s seat belt use has shown significant improvement in the last three years, but the state remains just below the national average in usage. Missouri has an 86.1 percent seat belt use while the national average is 90.7 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 75.5 and 71.6 percent, respectively.

“Nearly every day someone dies in a Missouri traffic crash because they weren’t buckled up,” said Chief Hank Trout. “We will be pulling out all the stops to help ensure motorists are making the smart decision to buckle up.”

Dexter Police Will Crack Down on Child Restraint Violations

Missouri Law Requires Children Under Eight to be Restrained in Child Safety Seat.

Dexter, MO - Missouri law requires all children under the age of eight to be in an appropriate child safety seat or booster seat unless they are 80 lbs or 4'9" tall.

Dexter Police announced today they are joining with law enforcement agencies across the state September 20th - 26th for the annual Child Passenger Safety Week Law Enforcement Campaign to help reduce highway fatalities and serious injuries by cracking down on Missouri's child safety seat law violators.

Car crashes are one of the leading killers of kids. The proper use of a booster seat can reduce the risk of serious injury by 45 percent for children aged 4-8 years when compared with a standard seat belt by itself. Using the proper child safety seat provides children with the greatest opportunity to survive a crash.

Chief Trevor Pulley said regular child safety seat and safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

## Gov. Parson Orders Flags at Half-Staff on Sunday

Governor Mike Parson ordered U.S. and Missouri flags to be flown at half-staff at government buildings in St. Louis on Sunday, September 6, 2020.

This is in honor of St. Louis Metropolitan Police Department Officer Tammaris L. Bohannon.

“At only 29 years of age, Officer Tamarris Bohannon had already established himself as a model public servant and law enforcement officer. In just four years with the St. Louis Metropolitan Police Department, he was honored twice with the Department’s Award of Excellence and twice as Officer of the Month,” Governor Parson said. “Officer Bohannon’s courage, commitment to excellence in policing, and devotion to his young family and the St. Louis community are his lasting legacy. We will never forget all of the good Officer Bohannon accomplished in his brief time with us.”

The flags will be flown at half-staff on the day Officer Bohannon is laid to rest.
