Emergency Broadband Benefit Helps Pay Your Internet Service

OCTOBER 15TH 2021 BY DEE LOFLIN

Emergency Broadband Benefit Helps Pay Your Internet Service

Sparklight is proud to participate in the FCC Emergency Broadband Benefit program in an effort to help provide fast and reliable connectivity to customers who have been financially impacted during the pandemic. We are committed to narrowing the digital divide, and the FCC Emergency Broadband Benefit aligns with our purpose of keeping customers and communities connected to loved ones, work and school during this challenging time.

ABOUT EMERGENCY BROADBAND BENEFIT (EBB)

The Emergency Broadband Benefit is a temporary FCC program to help households struggling to pay for Internet service during the pandemic. The program will provide a monthly discount of up to \$50 per household (up to \$75 in Tribal Lands in Oklahoma) towards broadband service for eligible households.

This program is available to both current and new Sparklight Internet customers.

* At the end of the Emergency Broadband Benefit Program, all services are subject to Sparklight's regular rates, terms and conditions.

EASY 3 STEP PROCESS TO OBTAIN YOUR EMERGENCY BROADBAND BENEFIT [Click HERE](#) for more details.

First Impact Program Will Be Held at the Keller Public Library

OCTOBER 11TH 2021 BY DEE LOFLIN

First Impact Program Will Be Held at the Keller Public Library

Dexter, MO - Is your teen ready to drive? The First Impact program will be held at the Keller Public Library on November 3, 2021 from 6:00 to 7:30 p.m.

First Impact educates parents and teens regarding Missouri's Graduated Driver License (GDL) law.

This program aims to eliminate motor vehicle fatalities and injuries among teens.

This program will be provided free of charge and is targeted for parents of teen drivers.

You must RSVP to 573.884.3463 or email to firstimpact.missouri.edu

[Follow First Impact on Facebook by clicking HERE.](#)

Sparklight Helps Install New Hudl Camera at Charles

Bland Stadium

OCTOBER 11TH 2021 BY DEE LOFLIN

Sparklight Helps Install New Hudl Camera at Charles Bland Stadium

Dexter, MO - When Mark Whitehead, Sparklight’s Customer Service Manager, received a call from Dexter High School’s Athletic Director, Josh Dowdy, asking for help to install a Hudl camera on campus, Mark was more than happy to help.

He sent over a couple of techs including Chris Hale, Sparklight’s Advance Tech, to help Josh out and install the camera, which was beyond his reach with any equipment he had on site.

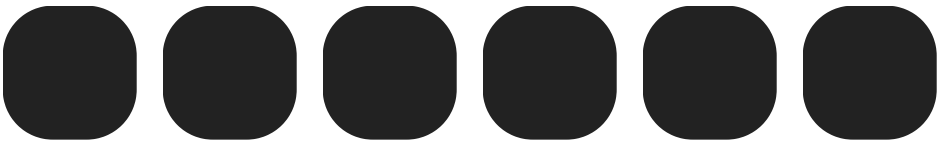

Within an afternoon, the Hudl camera was installed and ready to capture any events that are held on the field, including football, band, track and possibly graduations, to name a few.

Neighbor helping neighbor or in this case a business helping a school. It takes a village to raise our kids these days and so glad Sparklight could help out Dexter High School!
