JANUARY 08TH 2022 BY DEE LOFLIN

## Voting for County Extension Council Begins January 11, 2021

Voting for the members of Stoddard County Extension Council will begin on Tuesday, January 11, 2022 and continue through January 25, 2022.

This year we have one candidate running for a 2-year term: Gary Wyman.

Paper ballots will be available at the Extension Office, located at 316 S. Prairie Street, Bloomfield, MO on January 11, 2022. Voting may be done by coming in to the Extension Office and requesting a 2022 ballot.

Extension Office hours are 8:30 a.m. - 4:30 p.m. for voting.

The Stoddard County University of Missouri Extension Council determines the educational programs, policies and approved staff of University Extension for Stoddard County as set by law. In addition, in cooperation with the Stoddard County Commission, they arrange for financing the local portion of the programs.

Some of the educational programs available through University Extension in Stoddard County deal with large scale agriculture and small-scale farming enterprises, home economics, community development, homemaker clubs, and foods and nutrition for low-income families. These programs, open to all citizens, are provided by county area-based and campus-based specialists and paraprofessionals through the University of Missouri and Lincoln University.

The winning candidates will start their new terms during the Stoddard County Extension Council's annual meeting in March.
