2021 Dexter Chamber Educator of the Year - Brenda Mason

Dexter, MO - The Dexter Chamber of Commerce held its annual awards banquet on Friday, March 4, 2022 at The Lair Event Center. The meal was catered by Dhafer's Mediterranean Steakhouse. Both Representative Herman Morse and Senator Jason Bean were on hand to present resolutions to the award recipients.

Dexter School Board President, Ben Worley, presented the Dexter Chamber 2021 Educator of the Year Award to Mrs. Brenda Mason.

"Google defines a teacher as 'a person who teaches'; however teachers are so much more than that. They are counselors, friends, support systems, a safe haven, and then they just so happen to teach as well."

"All our teachers go above and beyond for their students, but one has stood out this year. Mrs. Mason is a preschool teacher at Southwest Elementary."

"For twenty-seven years, Mrs. Mason has continually poured into her students and set them up for the big world of elementary school. She is an amazing teacher who cares about her students as if they were her own children. She goes above and beyond what is considered "teacher's job".

"Her classroom is one of the first a child will ever step into. It is because of her love, patience, and kindness that these preschoolers get the best learning experience. She is truly devoted to giving her all to the position she has been trusted with at Southwest Elementary.

Congratulations Mrs. Brenda Mason, 2021 Dexter Chamber Educator of the Year.
