Stoddard County Commission Will Accept Bids to Remove Accumulated Silt and Sediment

BID NOTICE

The Stoddard County Commission will be accepting bids to remove accumulated silt and sediment from approximately 2,000 linear feet of Ditch No. 17 at approximate latitude 37.0461 degrees N and longitude -89.9003 degrees W in Stoddard County, Missouri.

As proposed, all excavated material from the ditch will be placed directly on existing dredge disposal piles or other areas outside waters of the United States.

Therefore, no Corps of Engineers permit is required under Section 404 of the Clean Water Act.

Bids must be turned in to the County Clerk's Office by 4:00 p.m. Friday, August 12, 2022.

All bids will be opened in the Stoddard County Commissioner's Chambers at 11:00 a.m. on Monday, August 15, 2022.

Stoddard County reserves the right to reject any and all bids.
