NOVEMBER 20TH 2022 BY DEE LOFLIN

St. Francis Health Center in Dexter to Host Blood Drive

It's no secret: As winter approaches, blood donations can be negatively impacted by weather and seasonal illness. Your type O blood donation is critically needed, no matter the weather, so we're showing our gratitude for dedicated donors like you in an extra cozy way. Those who come to give blood Nov. 23-27 will receive an exclusive American Red Cross knit beanie, while supplies last.

Plus, because your blood type is especially needed, you'll also get a \$10 e-gift card to a merchant of choice when you come in to give by Dec. 31.**

So many families will be celebrating the holidays a little differently, gathered in a hospital room, thankful that their loved ones are still here with them. We know they're thankful for you, too. Your one donation may give hope and joy to patients in need.

St. Francis Health Center in Dexter will host a blood drive on Wednesday, November 23, 2022 from 10:00 a.m. - 2:00 p.m.

The Health Center is located at 1212 Saint Francis Drive. Sponsor Code: SaintFrancisHealthDexter
