Stoddard County Commission Meeting - Monday, November 27, 2023

DECEMBER 01ST 2023 BY DEE LOFLIN

Stoddard County Commission Meeting - Monday, November 27, 2023

The Stoddard County Commission meeting opened with a prayer and a Pledge of Allegiance lead by Presiding Commissioner Greg Mathis.

Designated Parking Signs

"I am here on behalf of the ladies that work in the courthouse. They are getting older and some don't get around as well as they used to. I was wanting designated employee parking areas to keep people out of them," stated Mrs. Wilson.

At the current time there are 2-hour designated parking spots. The signs were put up by the city of Bloomfield.

At this time the Commissioner Mathis is not in favor of putting up designated parking signs. He stated that we will put it on the agenda for next week and take a vote at that time.

Loyd Rice, GoSEMO Fiber

We are getting ready to have services in the city of Puxico. People will then begin requesting services. This has nothing to do with the grant monies that the Commission designated for the rural Puxico area, but Rice wanted to update the Commission and let them know everything is on schedule.

"There will be a lot of people getting service soon. We have worked much better with Duck Creek and their county roads over there," Rice stated.

Mathis asked if GoSEMO Fiber would be applying for other grants.

"Yes we will look at all alternatives of grant funding," stated Rice. "There is a BEAD Grant that will be available; however there are David Bacon requirements, prevailing wages and other matching requirements and the rules are yet to be determined."

MAC Conference Update

CART money is managed differently across the state of Missouri per Josh Speakman, County Collector/Treasurer. Also lots of discussion on the SB 190 real estate tax credit for the elderly.

December Payroll

The Clerk's Office is requesting that the Commission ask the office holders to have their payroll in on December 20th vs December 21st. Mathis stated he would have the Clerk's office send an email to the Office holders to reflect that date.

Other Business

Motion to accept the November 20th regular session meeting minutes made by Commissioner Carol Jarrell, seconded by Commissioner Mathis since Mr. C.D. Stewart was absent. Commissioner Jarrell and Commissioner Mathis both voted yes.

Meeting minutes for the closed session were not available.

Motion to enter into Closed Session at 11:01 a.m. made by Commissioner Stewart, seconded by Commissioner Jarrell. All three voted yes and motion passed.

Stoddard County Commission Meeting - Monday, November 13, 2023

The Stoddard County Commission opened their Monday morning meeting with the Pledge of Allegiance and a prayer on Monday, November 13, 2023.

Mr. Gary Wyman, Stoddard County Extension Council

"I would like to ask for the Commissions' consideration about the possibility of putting a mailbox on the courthouse square for our office," Wyman stated. "The cost of a P.O. Box has had a tremendous increase this year and we currently have a regular business mailbox at the post office. We don't want to take away from the look of the courthouse, but I just want to have options before our next council meeting. We don't have sensitive type items like the County has when it comes to mail."

No questions at this time from the Commission. Presiding Commissioner Greg Mathis said he would look into it and get back to him.

Chase Marable with Higgonbottom Insurance of Springfield, MO

"I have spoken to Cecil Weeks for several years now and I work with city of Dexter within your County on Liability Insurance," stated Marable.

"We have 12 attorneys on staff that review all contracts and we have HR services as well," continued Marable. "We are seeing higher premiums all over."

Ms. Carol Jarrell asked if he was a broker for several insurance companies and he said yes I am a broker.

Insurance renewal is set for February 2024 and will have to be renewed or bid out for new premiums.

Alan Hedrick, County Wide Insurance/Leavitt Group Insurance along with Beth Keller Acct Manager with St. Francis Medical Center and Marv Meyer with GBS

"We typically start looking at the insurance (referring to the Liability Insurance) in October or November and just wanted to make ourselves available for the Commission," commented Hedrick.

"There is a lot of moving parts at SoutheastHEALTH and in nursing," commented Commissioner Mathis. "We will not be doing anything in 2024 as far as new health insurance for our employees. We had a 4% reduction in health insurance premiums so we are staying with them. As far as the Liability Insurance we will get back with you all after discussing. The renewal deadline would be in February 2024 so we need to discuss shortly."

Town Pharmacy of Bloomfield

The Town Pharmacy has been paying the minimum electric bill for the past three years on the building they donated to the Stoddard County Commission.

The total amount is \$2,494.06 and the Commission will reimburse Town Pharmacy this amount. Moving forward the businesses that have rented the buildings will begin paying December 1, 2023 for the electricity.

The Stoddard County Salary Commission held a meeting on Friday, November 3, 2023 at 9 a.m.

Presiding Commissioner Greg Mathis opened the meeting with a motion by Sawyer Smith, Stoddard County Prosecuting Attorney.

Present were Greg Mathis, Presiding Commissioner, C.D.Stewart, Commissioner Dist. 1, Carol Jarrell, Commissioner Dist. 2, Jacob Clary, Assessor, Josh Speakman, Collector/Treasurer, Cecil Weeks, Clerk, Brett Stidham, Coroner, Sawyer Smith, Prosecuting Attorney, Lorrie Duckworth, Public Administrator, Candy Collier, Recorder, Carl Hefner, Sheriff, Jessica Brown, representing the Juvenile Office, and Dee Loflin, ShowMe Times owner.

Mathis read the minutes from the previous meeting held on October 17, 2023.

Motion to accept the minutes by Sawyer Smith, seconded by Candy Collier, Stoddard County Recorder. All voted yes and motion passed.

Josh Speakman, Stoddard County Collector/Treasurer spoke first about the salary of the County Coroner that was previously voted on in the October 17th meeting. He stated that

"1. \$14,000 can be put onto the current pay which was set by the Salary Commission. His recommendation is that it goes into effect at the next election period.

2. We need to get the part time vs full time out of our heads and refer to the Coroner as an elected position.

3. The first motion to amend the motion of the prior read motion of the \$2,000 should be taken care of then move on to the next motion."

After some discussion the motion on the floor was to resend the motions as read from the previous minutes as related to the Stoddard County Coroner from the October 17th Salary Commission Meeting was made by Sawyer Smith, seconded by Josh Speakman. All voted yes and motion passed.

Motion to increase the compensation of the Stoddard County Coroner by \$14,000 added to his current pay at the next term of the coroner's elected position made by Candy Collier, seconded by Lori Duckworth, Stoddard County Public Administrator. Some discussion was heard. Not one elected official voted yes; however they all voted no. The Motion did not pass.

Motion to raise the Stoddard County Coroner's salary in the amount of \$14,000 at next term of office plus any COLA (Cost of Living) increases made by Carl Hefner, Stoddard County Sheriff, seconded by Candy Collier. There was some discussion. Josh Speakman

stated this is pursuant to MO State Statute 50.327, paragraph 3, August 28, 2022. All voted yes and motion passed.

COLA Increases for the Budgeted 2024 Year

Motion on the floor made by Candy Collier to give all elected and non-elected employees 8% COLA increase, seconded by Jacob Clary, Stoddard County Assessor.

Discussion by several of the salary commission prior to the vote.

"I feel 8% is a good percentage because I looked at inflation around the area and it increased," stated Collier. "I believe 8% is a fair amount."

The cost to Stoddard County would be \$304,000 in 2024 if the increase is set at 8% according to Speakman.

"Inflation has distorted the sales tax in our county and I have to look five years down the road," stated Greg Mathis, Presiding Commissioner. "I look at the loss of Tyson and how that will affect our sales tax. Is our spending sustainable at that point. It has nothing to do with salaries because I think we have a very good financial/benefit package to offer county employees."

"The biggest investment you can make is your employees," commented Collier. "I think we have invested in our financial package and need to continue to do so."

Question from Brent Stidham, Stoddard County Coroner, "Can elected officials take less of an increase or not take any increase at all?" Mathis stated yes; however the motion on the floor is an 8% across the board increase for all county employees.

Stoddard County Prosecuting Attorney wanted to make sure the media and public was aware that his salary and the Sheriff's salary is set by the state. They will not receive the COLA increase only their employees would get the increase.

56.265. Compensation of prosecuting attorneys — training program, attendance required, when, expenses, compensation — definition, prosecuting attorney to include circuit attorney (noncharter counties).

57.317. Compensation of sheriff — training program, attendance required, when, expenses, compensation — minimum compensation (noncharter counties).

"I agree with Greg's physical conservatism," stated Sawyer Smith. "I don't know all the County business and I wish there were other ways to save in the other county business and help the employees. If there were ways to save \$300,000 then offset the employees

with that amount then I think the Commission should sharpen their pencil and proceed."

Motion to increase both elected officials and employees an 8% Cost of Living (COLA) increase in their salaries made by Candy Collier, seconded by Jacob Clary as read by Greg Mathis. Cecil Weeks suggested they call for the vote individually.

Vote as follows C.D. Stewart Yes, Carol Jarrell Yes, Jacob, Clary Yes, Josh Speakman No, Cecil Weeks Yes, Brent Stidham Yes, Sawyer Smith Abstained from voting, Lorrie Duckworth Yes, Candy Collier Yes, Carl Hefner Yes, Greg Mathis No. There were 8 votes for yes, 2 votes for no and 1 abstained. Motion passed. The increase will begin January 1, 2024.

Starting Wages for County Employees

There was quite a bit of discussion in both meetings about the low starting wages of employees. The current starting wage is \$16.05 set by former Presiding Commissioner Danny Talkington, Commissioner Carol Jarrell and Commissioner Steve Jordan.

Carl Hefner stated his sheriff's department has been starting employees at \$18.75 per hour plus benefits. Sawyer Smith stated he started his investigator at a higher starting salary.

"Dexter PD is falling behind in pay for their officer's," stated Hefner. "Our guys put their lives on the line and should be compensated for that."

Mathis stated, "I think as the Commission we can look at starting pays for the 2024 budget."

The Commissioners will meet with the Sheriff, Juvenile Office, and Prosecuting Attorney and discuss starting salaries moving forward in 2024. This is a budgetary item and not covered by the Salary Commission.

Motion to adjourn made by Jarrell, seconded by Jacob. The Stoddard County Salary Commission adjourned at 10:06 a.m.
