Carl Hefner Announces Bid for Re-Election for Stoddard County Sheriff

JANUARY 19TH 2024 BY DEE LOFLIN

Carl Hefner Announces Bid for Re-Election for Stoddard County Sheriff

Stoddard County from your sheriff, Carl Hefner, I am announcing that I will be running for re-election this year.

As Sheriff I have always made sure that Stoddard County is the safest County in the area.

While nearly all law enforcement agencies receive their share of criticism, the one thing that cannot be denied is that we remain a county of law and order.

While much of our area faces gun and gang violence, Stoddard County continues to set the standard of keeping our streets safe. There is not a street in this County that I would be afraid to let my grandchildren walk down. As I've done before I will be running a campaign based on my record, integrity, and passion for the safety of our children and grandchildren for years to come.

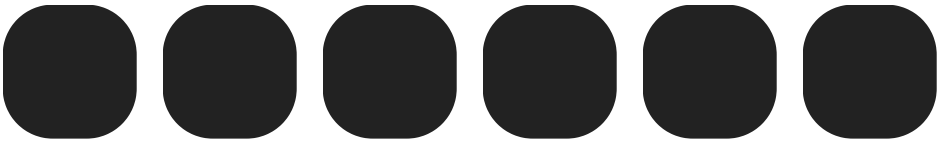

I am a Republican that is pro-life, and a strong supporter of the second amendment. I believe Jesus Christ is our lord and savior, and that all men are created equal. It is an honor to be a Sheriff who is of the people, by the people, and for the people of Stoddard County. I'm asking for your support in this election to maintain law and order and continue to provide a safe and secure environment for all citizens.

God bless you

Carl Hefner

Howard Announced Candidacy for Stoddard County Commissioner District II

JANUARY 19TH 2024 BY DEE LOFLIN

Howard Announced Candidacy for Stoddard County Commissioner District II

Dear Residents of Stoddard County, for more than 30 years I have been proud to call Stoddard County my home. Which is why I have great enthusiasm in announcing that I am running as a Republican candidate for the Stoddard County Commission in the Primary Election on Tuesday, August 6, 2024.

My family is a Stoddard County family, and we have Stoddard County values. My wife Bonnie and I have spent most of our years living and working and raising our family here in Stoddard County. We graduated from Dexter High School and then we graduated from Harding University where I obtained a bachelor’s degree in Business Management. We moved home, and then I quickly applied my business education by working in ag business. My brother and I own and operate Heartland Crop Consultants servicing farmers in our area. Bonnie is serving our community as a member of the Dexter School Board and works at One Mile Smile. We have three wonderful kids Kalee, Jackson, and Grant.

My parents still live in Stoddard, my mother Phyllis is a retired teacher, and my father Marty is a retired farmer. My brother David and my sister Katie also reside in Stoddard along with their families. I love Stoddard County and want to give back to the place that has given so much opportunity to me and my loved ones.

One of the main reasons I am running to be elected County Commissioner is because I believe the time is now for the next generation of leadership and a change in leadership for District II. Upon being elected to serve you in this role, I promise to be a present public servant, who listens to Citizens and makes sound decisions with your hard-earned tax dollars. I will be a good steward of our County resources based on my conservative beliefs and business experiences. I assure you I will serve everyone in a most professional, responsible, and ethical manner.

During this campaign you will see me working hard and making my best effort to meet you, listen to you, and show you the kind of Commissioner I will be for the people.

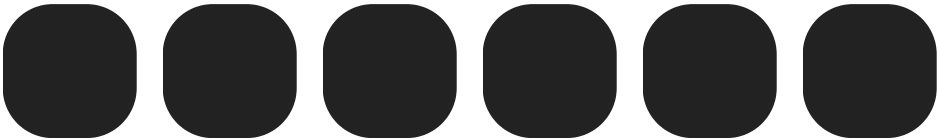

Sincerely,

Wes Howard

W. Rance Butler Appointed Special Assistant Prosecuting Attorney ("SAPA")

JULY 20TH 2023 BY DEE LOFLIN

W. Rance Butler Appointed Special Assistant Prosecuting Attorney (

Prosecuting Attorney Sawyer Smith appointed William Rance Butler as Special Assistant Prosecutor in Division I Court on Wednesday, July 5, 2023. Honorable Circuit Judge Rob Mayer administered the oath to Attorney Butler during a swearing-in ceremony held at the Stoddard County Justice Center.

SAPA Butler will begin assisting in the prosecution of criminal cases right away; his position will initially be funded pursuant to an agreement between PA Smith and the Board Members of the Stoddard County Law Enforcement Restitution Fund.

Rance Butler has practiced criminal law in Southeast Missouri for 24 years. He previously served as Assistant Prosecuting Attorney in Stoddard County from 2008-2011. He served with the Missouri State Public Defender's Office as an Assistant Public Defender from 2019-2021 and as a District Defender from 2021-2023. Butler will maintain a private civil practice part-time in addition to his duties as SAPA.

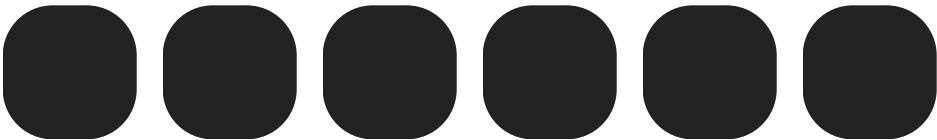

“The hiring of Rance Butler is more positive news coming from this Office. Foremost, I believe in his commitment to ‘Justice For All.’ His contributions will be great. APA Ryan and I look forward to his assistance in trying more cases before juries. This would not be a possible achievement without the support of Stoddard County LERF Board

Members, I do appreciate them working with me on this, and I also want to thank Sheriff Carl Hefner and Coroner Brent Stidham for their support. This is actually another historic milestone in that it will be the first time three attorneys prosecute crime at the Stoddard County Prosecutor’s Office. The time has finally come for this to happen, the SCPA office staff is more robust than ever before, filings are going up and crime is going down. All of this is to increase benefit to the law-abiding People of Stoddard County. Welcome aboard to Rance, and Congratulations, I am so proud for him to join the team.” stated Sawyer Smith, PA-1

Speakman Elected to MCCA Executive Board

MAY 08TH 2023 BY DEE LOFLIN

Speakman Elected to MCCA Executive Board

Stoddard County Collector - Treasurer Joshua Speakman recently attended the annual Missouri County Collectors Association (MCCA) conference, where he was elected to the Executive Board. This is a conference all collectors across the state are required to attend.

The association does more than just keep collectors up-to-date on training, but provides information, as well as has an impact on, legislation that is in our capitol. That legislation impacts us here locally and across the state.

Josh stated he felt that seeking an executive board position, not only put stoddard county on the map, but allowed for him to be in a better position to advocate for taxpayers.

It's a good feeling that the taxpayers support me to do a job, and a group of my peers in that job support me to serve as a member of the Executive Board"

"I have always been told, if you are not at the table, you may be on the menu. I wanted to make sure tax payers and entities back here at home aren't on the menu."

Josh also serves on the legislative and technology committees for the association.

One of the things Josh has been working on outside of the collector's office, is assisting with legislation that impacts the inflated personal property taxes we have faced over the past few years.

Josh says he hopes that getting involved more with that association, results in a positive impact on taxpayers. "they elected me to do a job, and I want to do it well. Here on a county level we have updated our county collector's website, created an installment plan to lessen the burden on taxpayers, and found ways to improve operations in the office. I hope to expand that positive impact while serving on the MCCA executive board"
