## DHS Alyssa Warren Signs with Wallace State

MARCH 01ST 2024 BY DEE LOFLIN

### DHS Alyssa Warren Signs with Wallace State

Dexter High School athlete Alyssa Warrens signed her letter of intent to play golf for Wallace State Community College in Alabama. Wallace State women's golf team won the Alabama Community College Conference Region 22 Tournament.

"I felt that the coach was a great guy and I just seem to fit best with him and his program," commented Warren. "It just felt like the best fit for me. I looked at a bunch of colleges, some in Alabama, some closer. This one was warmer!"

When asked what she wanted to major in at the college, she said she had not chosen a major, but thinks it might be in marketing.

Warren has played golf since she could walk and spoke about her love of the game.

"So I have always played golf, since I could ever walk," commented Warren. "My brother and my dad both played and they taught me how to play and I just loved it ever since."

Alyssa couldn't state a most memorable moment during her high school golf career. She said they were all special to her especially playing with the boys team.

"Being on the boys team has been the best, everything has been great," Warren said. "They treat me like I am their sister so everything has been funny!"

If she had to pick a moment she said it was winning the match in Kennett last season. She said she was the only girl there and defeated all the boys.

"Alyssa has had a great high school career," commented Dexter Golf Coach Eric Sitze. "She works hard on her golf game all year long. Playing against the boys has made her a tough competitor. But honestly I think she likes stepping up there and out driving them the most. It is definitely hard on her playing the blue tees, but should translate well to the college course yardages. probably a highlight or two for her to this point would be winning the Kennett match last year. Second would be breaking 90 at the state tournament."

"Alysa will do well at the college level. She's a hard work and after playing with boys all her life she will not be intimidated by anything at the next level," continued Sitze.

She averages a score of 40 - 42 per nine holes from the men's tees.

## 20th Anniversary of the Bearcat Final Four in Boys Basketball

FEBRUARY 15TH 2024 BY DEE LOFLIN

### 20th Anniversary of the Bearcat Final Four in Boys Basketball

Dexter, MO - This marks the 20th anniversary of the 2003-2004 Dexter Bearcat Final Four boys basketball team. It was 20 years ago the team entered the season having advanced to the District Championship each of the previous three years, and coming up short. The Bearcats advanced to the Championship for the fourth year in a row and claimed the first basketball title for the Bearcats in 28 years.

They then traveled to Mineral Area College and played the second ranked team in class 4, DeSoto. The ended up beating DeSoto 45-42.

They then traveled to the Farmington Civic Center to play the quarterfinal game against Lutheran South. They defeated LS 63-43 sending the 'Cats to their first ever Final Four appearance in Columbia, Missouri.

They unfortunately the 'Cats fell short in Columbia and had to face Vashon Wolverines who at the time were 29-0 and USA Today ranked them as the #1 team in the nation.

To be honest it didn't matter what happened in Columbia, it was the journey to Columbia that was the fun part. Doing what hadn't been done in 28 years and eventually taking the program to a place it had never been and to this day hasn't returned to the Final Four.

Members of the team were Scott Admire, Aaron Jackson, Andrew Stuever, Derek Roberts, Nick Chamberlain, Andrew Boone, Chris Guethle, Kyle Espey, Eric Rinehart, Anthony Elfrink, Levi Dawson, James Ford, Justin Devers, Cale Williams, Taylor Pyle, Derek Demaree, and Josh Miller. Coaches were Eric Sitze, with assistant coaches Rob Nichols and Daniel Sexton.

The Bearcats were pushed hard all year long by Coach Sitze. He was able to find something in this group no one else could have and he challenged them to give 110%. He refused to be happy with anything else. In four short months Coach Sitze will close the door one last time in the old gym, his legendary practices and intensity will never be replaced. Eric Sitze was born to be basketball coach and he's done a great job over the last 28 years.

Thank you Coach Sitze for your commitment to the Dexter girls basketball program and the boys basketball program these past three decades. Bearcat fans appreciate you more than you will ever know.

# DHS Wrestling Team Opens Against Sikeston and DeSoto

DECEMBER 01ST 2023 BY DEE LOFLIN

## DHS Wrestling Team Opens Against Sikeston and DeSoto

The Dexter High School Wrestling Team opened on Tuesday, November 28th hosting the Sikeston Bulldogs and the DeSoto Dragons.

"We took our lumps. Desoto and Sikeston are tough teams," commented DHS head coach Cody Boyer. "We have a mixture of experience and inexperience in our lineup right now. Sometimes in matches, you don't get to see the work the kids put in. I have a few that this is their first year ever to wrestle and they are stepping up and taking a spot to help out the team. That is a great teammate!"

"We did have some bright spots," continued Boyer. "Kasen Forkum at 157 went 2-0, Jason Hervoyavich went 2-0, Noah Bruyette went 2-0 on JV, Parker King at 285 went 1-1. Danyl Conn-Harris went 1-1 on JV, Ryan Young went 0-2 but lost by points in both matches. Kayden Hart at 215 went 1-1. Kayden is usually at 190 but I moved him up to get a match and he came up big for us."

"I can't wait to get Paxton White at 106 in our varsity lineup in January. I call him coach Paxton, he helps out his teammates. I bumped Kennedy McCormick up to 190 to get her a match and she battled. She came out on the losing end but I am proud of her," stated Boyer.

"I am excited about this year. We will keep getting better each day."
