Steve Jordan Pledges to Support Congressional Term Limits

OCTOBER 15TH 2024 BY DEE LOFLIN

Steve Jordan Pledges to Support Congressional Term Limits

Steve Jordan Pledges to Support Congressional Term Limits

Dexter, MO – U.S. Term Limits (USTL), the leader in the national, non-partisan movement to limit terms for elected officials, is gathering support from state lawmakers across the nation. Its mission is to get 34 states to apply for an amendment proposal convention specific to term limits on Congress. Missouri state house candidate, Steve Jordan (District 151), has committed support for term limits on Congress by signing the term limits convention pledge.

The U.S. Term Limits pledge is provided to candidates and members of state legislatures. It reads, “I pledge that, as a member of the state legislature, I will cosponsor, vote for, and defend the resolution applying for an Article V convention for the sole purpose of enacting term limits on Congress.”

In the 1995 case, *Thornton v. U.S. Term Limits*, the Supreme Court of the United States opined that only a Constitutional Amendment could limit the terms of U.S.

Senators and House Representatives. According to Nick Tomboulides, Chief Executive Officer of USTL, the best chance of imposing term limits on Congress is through an Article V Proposal Convention of state legislatures.

“The Constitution allows for amendments to be proposed by either 2/3 of Congress or 2/3 of the states. While we’d like for Congress to take the high road and propose term limits on itself, we know they are too self-interested to do that without external pressure.” said Tomboulides. “That is why it is important to get buy-in from state legislators,” he added. Once proposed, the amendment must be ratified by 38 states.”

Tomboulides noted, “More than 87% of Americans have rejected the career politician model and want to replace it with citizen leadership. The way to achieve that goal is through a congressional term limits amendment. Steve knows this and is willing to work to make sure we reach our goal.”

According to the [latest nationwide poll on term limits conducted by Pew Research](#), term limits enjoy wide bipartisan support. Pew's analysis states, “An overwhelming majority of adults (87%) favor limiting the number of terms that members of Congress are allowed to serve. This includes a majority 56% who strongly favor this proposal, just 12% are opposed.”

U.S. Term Limits is the largest nonpartisan, nonprofit organization advocating solely on term limits. Our mission is to improve the quality of government with a citizen legislature that closely reflects its constituency and is responsive to the needs of the people it serves. USTL does not require a self-limit on individuals. Our aim is to limit the terms of all members of Congress as an institution. Find out more at termlimits.org

**U.S. Term Limits does not endorse candidates. Candidates who sign the pledge endorse term limits.*
