Route J in Stoddard County Reduced for Pavement Repairs

OCTOBER 29TH 2024 BY DEE LOFLIN

Route J in Stoddard County Reduced for Pavement Repairs

Route J in Stoddard County will be reduced to one lane as Missouri Department of Transportation crews perform pavement repairs.

This section of roadway is located from South School Street to County Road 413 near Bloomfield, Missouri.

Weather permitting, work will take place Wednesday, Oct. 30 from 8 a.m. to 4 p.m.

The work zone will be marked with signs. Motorists are urged to use extreme caution while traveling near the area. A flagging crew will be in place as work is taking place.

Next Generation 911 Grant Approval for Bootheel Region

OCTOBER 23RD 2024 BY DEE LOFLIN

Next Generation 911 Grant Approval for Bootheel Region

In 2023, the Missouri General Assembly approved an appropriation of \$11 million in American Rescue Plan Act (ARPA) funding for Next Generation 911, as well as last year’s reappropriation of \$10 million in NG911 funding.

In total, the Missouri 911 Service Board has been charged with the award and management of \$21 million in funding dedicated to NG911. These funds are in addition to the \$8 million being spent on the Board’s Geographic Information System (GIS) project.

Dunklin, New Madrid, Scott, Stoddard, and Pemiscot County was awarded a \$2.349 million dollar grant by the Missouri 911 Service Board.

This grant project is a regional effort to incorporate text to 911; purchase and improve NG911 compatible equipment that meet the NENA i3 Solution Standard for ESIP Networks. All agencies currently are serving the citizens at a Phase II service level, with this project it will consolidate all counties onto the same network.

Saint Francis Healthcare System Awards Shannon Miller, MSOT, OTR/L, CHT, The Sister Jane Mission Award

OCTOBER 18TH 2024 BY DEE LOFLIN

Saint Francis Healthcare System Awards Shannon Miller, MSOT, OTR/L, CHT, The Sister Jane Mission Award

Saint Francis Healthcare System is pleased to announce Shannon Miller, MSOT, OTR/L, CHT, was awarded the Sister Jane Mission Award for 2024.

Miller joined Saint Francis in 2002 and recently celebrated 22 years at Advanced Orthopedic Specialist, a Saint Francis Medical Partner. She received her bachelor's degree in Psychology from Maryville University, Creve Coeur, MO and master's degree in Occupational Therapy from Washington University, St. Louis, MO. She has been a certified Hand Therapist since 2003.

Nominator praises Miller's dedication and expertise, noting, "Shannon is dedicated to her patients and peers; she always goes the extra mile to ensure everyone receives the very best. She is skilled at providing

education to all patients and ensuring they have a thorough understanding of their path to recovery. Shannon’s expertise and compassionate approach are what enable her to deliver care at the highest level. I am so thankful she is on my team!”

The Sister Jane Mission Award is a yearly award where a colleague is recognized for living the Mission of Saint Francis Healthcare System: To provide a ministry of healing, wellness, quality and love as inspired by our faith in Jesus Christ. The Sister Jane Mission Award is presented at the conclusion of the Feast of Saint Francis Mass in October. The nominees embody our Mission as well as our values.

Congratulations, Shannon Miller, MSOT, OTR/L, CHT, on this award!

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by nearly 3,000 employees and more than 250 providers in eight communities, the Healthcare System is a driving economic force in the region. Major services include the Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and the region's only Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.
