## Saint Francis to Host Connected Care, a Provider Open House

Saint Francis Healthcare System is pleased to announce a special provider open house event called Connected Care. At this open house the public will have the opportunity to meet providers from various specialties, learn about latest treatments and wellness programs, participate in interactive demonstrations, receive free health resources and attend Q&A session.

At Saint Francis Healthcare System, our providers are committed to building connections and providing education to support your journey toward wellness. This is a perfect opportunity to connect, ask questions and discover how we can partner to provide exceptional care to our community.

Connected Care will be held Wednesday, December 4 from 5-7 pm at Saint Francis Medical Center, Entrance 1. This event is open to all community members and refreshments will be served.

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by nearly 3,000 employees and more than 250 providers in eight communities, the Healthcare System is a driving economic force in the region. Major services include the Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and the region's only Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.
