Three Rivers College Students Selected to All-Collegiate Band

Three Rivers College students Emma Harris and Hannah Winters were recently selected to perform for the All-Collegiate Band and will perform at 9 p.m. January 29 at Margaritaville/Tan-Tar-A Convention Center in Osage Beach, Mo., during the 87th annual Missouri Music Educators Association In-Service Workshop/Conference.

“This is an incredible accomplishment for our students and our music program,” Three Rivers music professor William White said. “The nomination and audition process for the All-Collegiate Band is very competitive and both of our students worked hard to achieve this high honor.”

Both Harris and Winters will perform in a nine-person percussion section. The All-Collegiate Band is comprised of 97 students selected from 26 colleges and universities throughout Missouri.

“We are proud that Emma and Hannah will be almost ¼ of the percussion section,” White said. “This means they are among the finest college percussionists in our state.”

Three Rivers offers an Associate of Arts degree with courses in Music for students who plan to transfer to a four-year college or university to major in Music and an Associate of Arts in Teaching – Music Education degree for students who want to transfer into Central Methodist University’s completion program, offered at the Three Rivers College Poplar Bluff campus, to earn a Bachelor of Music Education Degree. Both the AA and AAT degree programs provide an affordable way to fulfill general education requirements and to explore a variety of performance opportunities. Students can specialize in choir or instrumental music. There are courses for ensembles and private instruction. There also are music scholarship opportunities for both music majors and non-majors. Students do not need to major in music to enroll in music ensembles.

PBHS Students to Sing with All-State Choir, Compete in Sight-Singing Bee

DECEMBER 07TH 2021 BY DEE LOFLIN

PBHS Students to Sing with All-State Choir, Compete in Sight-Singing Bee

Poplar Bluff, MO - Four Poplar Bluff High School choral students have been selected for the All-State Choir, one of whom has further qualified to compete statewide in the Sight-Singing Bee.

Bralin Duckett, a tenor, and soprano Emma Harris will perform with the choir in January during the Missouri Music Educators Association conference at Osage Beach, while Christian Redding, a tenor, and alto Emma Tinsley will serve as alternates.

In addition, Emma Harris achieved one of the highest sight-singing scores in the state, allowing her to vie in the Missouri Choral Directors Association-sponsored Sight-Singing Bee at the same event.

Out of nine PBHS juniors and seniors who tried out for All-State, nearly half advanced during the All-District Choir rehearsal in November in Cape Girardeau. Emma Harris went on to display her “high level of musicianship” and “well-developed ear” in a subsequent sight-singing audition, according to Joshua Allen, director of vocal music.

"Sight-singing is reading and singing a musical passage at first sight," Allen explained. "Students have 20 seconds to prepare from the time they first see the piece."

New Scholarship Endowed with the Three Rivers Endowment Trust

JULY 08TH 2021 BY DEE LOFLIN

New Scholarship Endowed with the Three Rivers Endowment Trust

A new scholarship has been endowed with the Three Rivers Endowment Trust.

Keith and Kathy Bess Holloway of Cape Girardeau created the Almeda Holloway Memorial Scholarship in memory of Keith Holloway's mother. Holloway was a board member of the Endowment Trust from 2011-2021.

"My mother was instrumental in the formation and establishment of Three Rivers College beginning in 1964 when the college was just a dream," Holloway said. Both of his parents were involved in promoting the vote for the college, which became a reality on April 5, 1966, that established the four-county Three Rivers Junior College District.

Proceeds from the scholarship will be used to award an ambassador scholarship to a female student annually. TRC ambassadors are selected through an interview process and based on leadership, service, character, and academic achievement. They perform service hours each semester.

Raised in Sedalia, Almeda Holloway graduated from Smith Cotton High School in 1947. The following year, she met and married James A. "Bud" Holloway and moved to Poplar Bluff, where they founded Holloway Real Estate and Insurance Company. She managed the business and was a licensed insurance and real estate broker.

“She was a pioneer as a working mother and business owner and raised four children,” said Keith Holloway. His siblings are Bruce, Gary, and Donna. “She was also active in the AMVETS Auxiliary, youth sports, and PTA. An avid bowler for many years, Almeda was well known for driving youth athletes to games and cheering them on.”

After the insurance company sold in 1972, Holloway moved to Indiana, where she was also active as a real estate and insurance broker. She later returned to Poplar Bluff and died in 1990.

“We are honored that Keith and Kathy are honoring Mrs. Holloway through this endowed scholarship,” said Michelle Reynolds, director of development at Three Rivers College. “This will continue to impact students in Southeast Missouri for perpetuity.”

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region.
